NO. 251—SIXTY-THIRD YEAR

VICTORIA, BRITISH COLUMBIA, THURSDAY, OCTOBER 6, 1921

TWENTY PAGES

LABOR MINISTER PUBLISHES PLAN OF RELIEF WORK

Dominion Government Offers to Bear Share of Cost of Municipal Work Where It Rises Above Normal—Also Share of Expense in Unemployment Relief.

FUNDS TO BE DISBURSED ONLY THROUGH MUNICIPAL AGENCIES

OTTAWA, Oct. 5.—Government proposals for unemployment relief during the coming winter, made public by Senator Gideon Robertson, Minister of Labor, this afternoon, include an offer to bear a share of the cost of municipal work above the normal cost, provided an equal share of the excess is borne by the provincial and municipal governments. This, the Government believes, would encourage the creation of work.

Where work cannot be provided, the Federal Government will continue to bear one-third of the amounts actually paid out by municipalities for unemployment relief, the other two-thirds to be borne equally by the provincial and municipal governments.

In his statement outlining the Government's proposals, Senator Robertson says that unemployment relief has been and must necessarily continue to be primarily a municipal responsibility, and in the second instance a responsibility of the Province. Further, he cites, that because the present situation is due to causes beyond the power of even national control, the federal and provincial authorities should co-operate in helping to create and provide employment, and where employment cannot be furnished to workmen willing to work, to aid in providing food and shelter for them and their dependents until the emergency is past.

The statement stipulates that federal funds used for unemployment relief must be disbursed only through responsible municipal authorities. The Government's proposal for participating in the cost of municipal works follows:

The municipality to bear the normal cost, that is to say, the cost of carrying on the said work in the normal working season.

Estimate of normal cost to be approved by federal government engineers in the Department of Public Works.

That municipal, provincial and federal governments bear equally and jointly the actual cost over the estimated normal cost.

That this plan for providing employment, instead of unemployment relief, will overcome the only criticism of the Government's policy of last winter, in the belief expressed in the proposals, Senator Robertson is communicating the plan to all provincial governments, its details will be submitted to any municipality applying.

TOKIO, Oct. 5.—Premier Hara is quoted by The Yomiuri Choho as saying that the Japanese delegates at the Washington conference on Far Eastern questions and limitation of armaments, design to attain a perfect arrangement among the Powers, based on the fundamental principle of respect for a world open door, the removal of barriers between the different races, and assurance of the existence of mankind.

"Japan's answer to the American agenda proposals will, of course, embody the above principles," the Premier declared.

The conference at Dairen between the representatives of Japan and the Far Eastern Republics of Siberia, he said, was progressing.

The questions discussed, he added, mainly concerned commercial and industrial freedom in Siberia, guarantees for life and property, the right to trade and customs.

Japan's policy regarding the evacuation of Siberia remains unchanged, he declared, and the withdrawal will be carried out at the proper time, which the government itself decides.

The political situation, he said, forbids evacuation of the Japanese troops in the Maritime Province, including Vladivostok, for the moment, and the withdrawal from Sakhalin may not be carried out in the immediate future. He asserted that on receipt of China's answer to Japan's proposals regarding Shantung, Japan will take proper measures, based on her declared policy.

SPANISH GENERAL SHOWS COURAGE

Saves His Force From Defeat by Leading Bold Charge Against Moors—Convoy Protected From Enemy

MELILLA, Sept. 30.—(Delayed)—A timely act of personal courage by General Calvo Sotelo saved a Spanish convoy on the way to Tetu from what appeared to be certain disaster.

Strong columns of troops were protecting the convoy carrying supplies, and were showing signs of imminent disruption under the intense fire of the Moroccan from the heights. The firing was inflicting heavy losses on the Spanish native troops, who were rushing from one position to another to escape the hail of bullets.

The columns were being suffering considerable losses because the officers hesitated to order the alignment of the ranks. A very General Calvo Sotelo appeared on horseback amid the fire, and shouted toward a group of engineers in the front line: "Come along, boys, for the honor of Spain."

The general dashed forward, followed by his staff and the unit of engineers, and succeeded in arriving at Tetu. Other troops then took courage and returned the fire of the Moroccan, driving them off and saving the day for the garrison.

DATE OF ELECTION ANNOUNCED TODAY

OTTAWA, Oct. 5.—The date of the general election will be announced tomorrow following a meeting of the Cabinet Council, according to reliable political circles tonight.

HUNGARY'S DEALINGS WITH BURGENLAND

VIENNA, Oct. 5.—Hungary's action in signing the Burgenland protocol at Odenburg on Monday is declared here to be regarded by the Austrian Government as a "paper ceremony." The protocol will in no wise affect the attitude of Hungary toward Burgenland, it is said, except that Burgenland will now be regarded as an Entente colony, or sphere.

Hungarian raids in this district along the Austrian frontier continue. A band yesterday entered Hausbrunn, plundered the dwellings of the natives and levied a cash tribute upon Jewish residents, it is said.

SAANICH FAIR DRAWS CROWDS

Attendance at Annual Exhibition in Agricultural Hall, Saanich, Better Than Last Year—Perfect Weather

Well on to a thousand people attended the exhibition of the North and South Saanich Agricultural Society, opened to the public yesterday in the Agricultural Hall, Saanich. This is a better attendance than that of last year. The weather was fine throughout the day. In the unavoidable absence of Hon. S. P. Tolmie, Minister of Agriculture, the fair was opened officially by Mr. H. E. Tanner, president of the Agricultural Society.

Children's sports were held during the afternoon under the direction of a special committee consisting of Mrs. F. Verdon, Mrs. George Macdonald, Arthur Jeanne and P. Brogan. Mr. T. S. Floyd acted as starter. There was a large number of entries, and the events were run off without a hitch.

Heaton's orchestra played in the building during the afternoon and evening, while the throngs of people from throughout the district and from Victoria looked over the exhibits, which were more numerous than usual.

The catering of the South and West Saanich Institutes was all that could be desired. The ladies were kept busy throughout the afternoon.

Continued on Page 14.

NEGLECTED CHILDREN WILL BE ITS CARE

WINNIPEG, Oct. 5.—The first of its kind ever held in Canada, which will give rise to a permanent organization for the care of neglected, dependent and delinquent children, a child welfare association convened here this evening under the chairmanship of Mrs. R. A. Rogers, M.P.P., of Winnipeg.

Magistrate Emily Murphy, Edmonton, and Judge Ethel Macdonald, Regina, told the morning conference that children were the most prevalent form of juvenile crime, the cause being found in the manner of living. Life in rented houses or flats gives no sense of possession, they claimed. Ninety-two per cent of juvenile delinquency in theft, Magistrate Murphy said.

Judge W. H. Archibald, of the Department of Justice, Ottawa, said that bad housing and unwholesome streets are the beginning of practically all juvenile delinquency. Many cases of juvenile delinquency, he stated, can be traced back to the wretched slums of Canadian cities and their miserable alleys.

SIR R. BORDEN LEAVES POLITICS

Former Premier Announces That He Will Not Be Candidate—Is in Poor Health and Wishes Rest

WARMLY PRAISES PREMIER MEIGHEN

Minister of Railways and Canals Is Nominated in Lanark—Progressive Convention at Brandon Is Religious

TORONTO, Oct. 5.—"I do not intend to be a candidate at the approaching election," said Sir Robert Borden, today. "After 25 years of active service in public life, I believe I am entitled to retire. Further, my retirement is necessitated by my condition of health. My successor, Mr. Meighen, took up his task under circumstances of extraordinary difficulty. He has discharged that task with distinguished ability and courage. In my judgment, no successful attack has yet been made on his policy or administration of public affairs."

OTTAWA, Oct. 5.—Hon. J. A. Stewart, Minister of Railways and Canals, was unanimously nominated as the Government's candidate tonight. The primaries were well attended, and a full delegation will attend the convention.

It is understood the naming of possible candidates will be avoided to permit the greatest possible freedom in the convention. Discussion in party circles turned on the possibility that S. J. Crowe, former M.P., would reconsider his decision not to run again. The names of John Nelson, Col. W. W. Foster and Col. J. A. Clark were also mentioned frequently.

NEW WESTMINSTER, B.C., Oct. 5.—John Reid, retired ironmaster, was nominated by the Liberal convention for this riding tonight. The name of Joseph Martin, K.C., also was before the convention, which elected Mr. Reid on the third ballot.

BRANDON, Oct. 5.—Robert Forke was today nominated as Progressive candidate for the Federal constituency of Brandon.

The initial stage of the nominating convention took the form of a religious exercise. Rev. J. G. Miller, of St. Paul's Presbyterian Church, quoted extracts from the Sermon on the Mount. "Beware of false prophets which come to you in sheep's clothing, but inwardly they are ravening wolves," was his text, an dthe delegates sang "Onward, Christian Soldiers" before turning to the main work of the convention.

Prince, P.E.I.—A. E. McLean, Liberal.

Halifax—Dr. A. C. Hawkins and J. R. Wallace, Labor.

Pictou—E. M. Macdonald, K.C., ex-M.P., Liberal.

AMERICAN BANKERS' OFFER

BURLING, Oct. 5.—It is reported unofficially that certain American bankers have offered to support a group of manufacturers in flotation of a loan for the German Government. According to The Lokal Anzeiger, discussions with the American bankers will begin shortly.

TRISTE STRIKE ENDED

OSLO, Oct. 5.—The strike which has been in effect here for some days, was called off today, the men returning to work.

PASSENGERS MEET HORRIBLE DEATHS IN PARIS TUNNEL

HON. MR. STEVENS SEES TRADE IMPROVEMENT

VANCOUVER, Oct. 5.—Before the wholesale bureau of the Board of Trade at luncheon today, Hon. H. H. Stevens, Minister of Trade and Commerce, gave a short review of the work of his department. He expressed the opinion that trade depression in Canada had struck bottom, and that there was every justification for expecting a steady, though perhaps slow, improvement. He based his conclusion, he said, on complete statistical and other information in his possession.

The Minister declared that his policy as long as he was head of the Department of Trade and Commerce, would be to consider himself as a servant of Canada and to welcome co-operation of the commercial and industrial interests of the Dominion.

ASSEMBLY ENDS ITS SESSIONS

Adjournment Gives Occasion for Review of Its Work and Achievements of League—Disarmament Question

GENEVA, Oct. 5.—The second assembly of the League of Nations adjourned tonight.

President Van Karnebeck, summing up the work of the session, said those who had expected from the League miracles that would transform the world suddenly into a paradise would be disappointed, but the pessimists who had predicted dissolution of the League would be confounded by the result of the work accomplished. He dwelt upon the importance of the International Court of Justice, and the various technical organizations set up by the assembly as real progress toward the kind of internationalism the League was organized to bring about.

Opinions of a majority of the delegations regarding the work of the League are divided, but the net results apparently give general satisfaction.

The attitudes of the delegates toward the Washington conference on the limitation of armaments vary according to the situation of different countries. The small states say it is for the large nations to make a beginning in this direction, hence Washington is the proper place for such a beginning, since there all the greatest armed nations will be gathered together. There is also considerable skepticism, but most of the delegates are hopeful. In some delegations the idea prevails that as an outcome of the Washington conference some international organization may be formed which would be apart from the League of Nations as at present constituted. Some apprehension is expressed over the possibility of such a rival organization.

The question of registration of treaties as provided for by Article XVIII. of the covenant, which it is proposed to amend, has been postponed until the next assembly.

VANCOUVER PEOPLE BUILD NATATORIUM

VANCOUVER, Oct. 5.—Plans have been completed for the immediate construction of an up-to-date natatorium in Vancouver, on the corner of Beach Avenue and Cardero Street.

A warm salt water pool, 150 feet by 80 feet, will be the main feature. A considerable amount of Seattle capital has been subscribed for the enterprise, and the balance will be raised locally.

The natatorium, which will be conducted as a privately-owned commercial enterprise, will be controlled in Vancouver.

CHICAGO LEADERS TO ARRIVE TODAY

Mayor Porter Will Welcome Special Cost of Living Committee—Gathering Data on Economic Conditions

Thirty members of the Chicago City Council committee on cost of living will arrive here today from Vancouver. They will be welcomed on arrival at 3 o'clock on the regular steamer by Mayor Robert J. Porter, and will make a tour of the city, returning to the docks in time to take the Seattle boat at 4:30.

The committee is headed by Mr. William H. Hark, who will go from Seattle to San Francisco, stopping off at important centres on the way, inquiring into economic and business conditions.

A year ago a committee appointed by the Chicago Council by Mayor W. Hale Thompson came west to investigate conditions. It is said that the purpose of the mission is to collect data which will be useful to Chicago's municipal administration in dealing with living cost problems.

The committee came west by way of the Canadian Pacific Railway.

Two Suburban Trains Loaded With People Crash Near St. Lazare Railway Station—Many Occupants of Coaches Are Trapped and Burn to Death—Firemen Helpless

PARIS, Oct. 5.—A rear-end collision of two suburban trains in the half-mile tunnel leading to the St. Lazare railroad station tonight led to terrifying scenes and the death of many persons. The wrecked cars burst into flames, and the disaster was made all the more terrible by the explosion of a gas reservoir. Late tonight sixteen bodies had been recovered. Twenty persons are known to have been seriously injured and sixty others were slightly injured. This, however, gives no idea of the extent of the disaster, because the firemen and others engaged in the work of rescue have been unable to get any distance within the tunnel owing to the gas fumes.

NUMBER OF DEAD AT LATE HOUR, 33

Explosion of Gas Reservoir Adds to Horrors of Accident—Fire Spreads Through Wrecked Cars With Great Rapidity—Breaking of Airbrake Pipe Is Blamed

The fire spread with great rapidity, and for a time cries of distress and the moans of the dying were heard on all sides, but these finally were silenced, though the crackling of the blazing wooden coaches could still be heard.

The firemen were not prepared for the barrage of poisonous fumes which assailed them as they reached the scene. Finally they succeeded in playing four streams on the last coaches at the St. Lazare end of the tunnel, but these were empty and not burning, while seventeen coaches in the centre of the tunnel, far from the firemen's efforts, were burning fiercely.

At no time could they get closer than a hundred feet to the inferno. Now and then a passenger with blackened face would come straggling out, begging the helpless firemen to enter the tunnel and save those dying within.

The Minister of Public Works, M. La Troquer, who helped direct the rescue work, described it as a "vision of hell." He announced that the dead would be buried and the injured receive medical treatment at the expense of the state.

About 100,000 commuters surrounded the yards, but were refused admittance. Confusion resulted, and many commuters repaired to the barracks placed at their disposal by the government. An American Red Cross unit was among the first in the relief work.

The accident is said to have been due to the breaking of an airbrake pipe on the first train, and it is thought that the train following came into collision through faulty working of the signals.

Seventeen of those injured in the tunnel wreck have died in hospital according to the Havas Agency, bringing the total number of dead up to 33. Exploration of the 17 burned cars has not yet been possible, and it is feared that they contain additional victims.

WINNIPEG'S BONDS BRING GOOD PRICE

WINNIPEG, Oct. 5.—Winnipeg's bond issue amounting to \$1,550,000, was sold today to a syndicate composed of Ames & Co., Toronto, and Messrs. Coffin and Burr, Boston, for 104.54. It was announced this afternoon by H. C. Thompson, city treasurer. The bonds bear six per cent interest. There were eleven tenders, representing 25 firms.

This price means that in Canadian funds the money will cost about 5.67 per cent, which the city treasurer said compared favorably with the 5.50 per cent Ontario issues sold last week, and being slightly better than the recent 5.60-5.65 bond issue of the City of Toronto.

BALKAN COUNTRIES ARE ARMED CAMPS

PARIS, Oct. 5.—Hostilities on a large scale appear to be possible in the Balkans, according to Charles Littlecock Sherill, of New York, former United States Minister to Argentina, who has just returned to Paris from a trip which took him to Bucharest, Belgrade and Budapest.

"I am amazed," said Mr. Sherill today, "to find in Roumania what may be called a 'love in a mummy'."

He declared that Roumania was explaining her action by saying that it had become necessary to declare martial law in Bessarabia and Transylvania, the former territory having been received by Roumania from Russia and the latter from Hungary by virtue of treaties following the world war. He added that Serbia's action was being explained by affirming that military action was required in Bosnia and Herzegovina.

THEIR EXCELLENCIES AT QUEBEC

QUEBEC, Oct. 5.—Their Excellencies Lord and Lady Byng and other members of the viceregal party passed through Quebec yesterday on board the Cornwall and York on their way to Pointe au Pic, a summer resort. Their Excellencies will arrive here on Monday and remain at the citadel for two weeks.

ANGLICANS LOOK TOWARDS UNION

Prominent Church Dignitaries at General Synod Meeting Refer to Subject—Opening of Session at Hamilton

HAMILTON, Ont., Oct. 5.—That Canadian Anglicanism, at least so far as a large section of its leaders is concerned, is looking towards a not far distant day when some form of union between the Church of England and the other Protestant denominations of the Dominion will be an accomplished fact, was indicated by two significant pronouncements delivered at today's opening session of the ninth triennial gathering of the general synod of the Church of England in Canada.

Speaking from the pulpit at the synod's initial service, the Church Cathedral, this morning, Rt. Rev. Charles Brent, Bishop of Western New York, emphatically declared that there had been no "talk" of Anglican church was concerned, and that the time for action had come.

Still more significant, the Primate of All Canada, Most Rev. E. P. Matheson, Archbishop of Rupert's Land, in delivering his charge to the members of the Upper and Lower Houses at their opening joint session in the cathedral parish hall in the afternoon, declared that further delay in bringing into effect the recommendations on union issued by the bishops at the Lambeth Conference would be fraught with danger to the well-being of the whole Christian church.

The Primate stated that he had already communicated with the heads of the other Canadian Protestant churches, pointing out that he hoped and expected that following the session of the general synod, the Anglican Church of Canada would be prepared to meet and confer with the heads of those churches to discuss union proposals.

The opening service of the morning was marked by all the pomp and circumstance of an ecclesiastical ceremony. At 11 o'clock, preceded by the choir of the cathedral, the long procession of archbishops, bishops, deans, archdeacons, canons, junior clergy and lay members wound its way into Christ Church.

With one exception, all the officers of the lower house who held office last year, were re-elected by acclamation. At the last session, the prolocutor's chair will be occupied by the Very Rev. J. F. Lloyd, M.A., D.D., dean of Nova Scotia, of Halifax.

On the second ballot, Venerable Archdeacon Heathcote, Vancouver, was elected deputy prolocutor over Very Rev. L. N. Tucker, dean of Huron.

Routine business occupied the greater part of the evening session. At a late hour Judge Birmattinger, St. Thomas, introduced his resolution calling for the appointment of a committee to confer with other Protestant churches on the subject of union, but agreed to postpone consideration until the general assembly of union was put before the synod.

PLANNING TO KEEP LIVESTOCK HEALTHY

OTTAWA, Oct. 5.—A conference of veterinarians to discuss the best means of improving the health of Canada's livestock is to be called for Ottawa for November 15 and 16, it was announced last night.

Probably no livestock producing country in the world has a better record for freedom from disease than Canada, said Dr. J. H. Girdale, deputy Minister of Agriculture, a condition undoubtedly largely due to the inspection system carried on by the department's Health of Animals branch. The work of keeping Canadian stock free from disease and giving it an even finer reputation than it now enjoys is not to be done by individuals or small groups. This is work, says Dr. Girdale, which must be done by a centralized organization

for all Canada. Consequently, serious consideration will be given at the forthcoming conference to the formation of a national veterinary association to work in conjunction with the department.

Representative veterinarians from every province in the Dominion will be invited to attend the conference. The estimated value of Canadian livestock today is \$1,073,243,000, and the department believes that any effort to enhance this great national asset must be to the advantage of the whole country.

Revolutionists in Nicaragua. MANAGUA, Nicaragua, Oct. 5.—Another revolutionary uprising has occurred near the Honduran frontier, the insurgents attacking small villages and committing depredations. The Nicaraguan Government has sent a well-equipped body of troops to the scene of the trouble.

DEFERS CHANGE IN ARTICLE 18

League Assembly Avoids Hasty Action Regarding Treaty Registration—Expenses Apportioned

GENEVA, Oct. 5.—Consideration of an amendment to article 18 of the covenant of the League, which would exempt technical treaties from registration with the secretariat of the League, was postponed by the assembly of the League here today. The purpose of this change in the covenant was to make article 18 effective in breaking up secret treaties through registration.

A. J. Balfour, of Great Britain, declared it was absurd to expect nations that signed a treaty of defence which they were ready to register and make public to be required at the same time to disclose the means, military or otherwise, by which they contemplated making their defence.

The four non-permanent members of the council of the League of Nations—China, Belgium, Brazil and Spain—were re-elected today by the assembly on the first ballot.

Great Britain and France must pay the largest proportion of the expenses of operating the League of Nations, it was found when the committee charged with determining the share each country should pay reported to the assembly of the League today. Each must pay \$2.2 per cent, while China, Italy, 1.1 and Japan were placed in the second category and were called upon to pay \$1.5 per cent. In the third category were placed Argentina, Spain, Brazil, Roumania, Yugoslavia and Czechoslovakia, whose individual shares were fixed at 1.5 per cent. The scale was graduated down to .1 per cent, which will be paid by Panama, Paraguay, Salvador, Cuba, El Salvador, Guatemala, Honduras and Liberia.

Under this ruling Great Britain and France will pay \$1,800,000 gold francs while the United States and Canada will pay each \$1,200,000. The countries in the lowest category will be called upon for 42,000 gold francs.

The assembly later adopted an amendment to the covenant of the League, fixing the schedule of assessments as proposed by the committee, which are provisional for one year, beginning next January.

REALIZE DOLES ARE NO REMEDY

Conclusion of Those in Britain Concerned With Relief of Unemployment—Some Papers Criticise Delay

LONDON, Oct. 5.—It is a matter of satisfaction that as a serious investigation of the unemployment problem progresses, the disposition lessens to remedy the situation by palliatives like doles or the creation of work solely for the purpose of giving employment. The evils of the dole system are being only too patent in the loss of self-respect and self-reliance by a portion of the unemployed. The officials responsible for the distribution of doles are compelled to admit that hundreds of prosecutions have been necessary to keep the only deterrent of widespread frauds.

It is generally recognized that such measures as the cabinet may take are likely to result in large expenditures of public money, with probably a further rise in the cost of living.

Several of the morning papers, in their comments on the Premier's speech at Galahack last night, declared the present cotizations of the government should have been undertaken long ago.

The Manchester Guardian remarks that the local authorities, when the government offers them financial assistance, are inclined to say, "Thank you for nothing." The proposed credit scheme, The Guardian says, will have to undergo something like a transformation if it is to appreciably affect the unemployment situation.

The Morning Post regrets that no minister has yet referred to an inter-imperial emigration scheme, which ought to be devised with the aid of the colonies.

RAILWAY WAGE CUT GETS NO AGREEMENT

MONTREAL, Oct. 5.—The railway conference board has granted an extension of one day to the time allotted for the round-table conference between representatives of the railway companies and the five brotherhoods in view of the fact that no existing between the two over the proposed 12 1/2 per cent cut in wages had been found up till a late hour last night.

"We are still hopeful," a railway official said today. "Negotiations are proceeding amicably."

Relief Courier Held Up

RIGA, Oct. 5.—An American relief administration courier, on the way from Petrograd to Riga via Ravel, was searched and some of his personal effects seized by Russian frontier authorities at Yamburg on Tuesday, he reported on arriving here today.

Advice for Back-Ache

When stooping hurts, when lifting and bending causes distress, that's the time to rub in lots of Munday's. Usually a couple of applications bring grateful relief. Munday's is a soothing, more certain to kill muscular rheumatism or neuralgia. Thousands of homes rely on good Old Munday's for cramps, colic, dysentery, and external muscular pains. Large 25 cent bottles for sale everywhere. (Adv.)

ANGLICANS CALL ON CONGREGATIONALISTS

LONDON, Oct. 5.—The Bishop of Bristol led a deputation of Anglicans to the Congregational Union assembly here and made an appeal for reunion, which, he said, did not mean absorption, but fellowship.

Chairman Viner, of the assembly, in replying to the Anglican bishop, said that when they were invited to become members of a fellowship based on authority, the way was not clear. The door was still open, however, but the matter needed consideration.

Bishop Weldon, in an interview, complains that there has been no official statement on the subject of church union for over a year, and that he was ignorant as to whether or not any conference had been held.

TORONTO HAS HEAVY BURDEN OF TAXATION

TORONTO, Oct. 5.—The special committee of the executive of the Canadian Manufacturers' Association, in a report on the debt of this city within practically a quarter of a century the population of Toronto has increased 200 per cent, the assessment thirty-five and the taxation nine hundred per cent.

After a review of the situation, the report says: "That the average family of five persons must contribute more than \$200 per year to the civil treasury for ordinary civic services, apart from local improvements, indicates in a startling way the need for rigid economy in civic administration."

QUEBEC FARMERS ARE ORGANIZING

Group Is Presenting Candidates in Some Counties—Armand Lavergne Joins Brantford Paper's Choice

MONTREAL, Oct. 5.—A farmers' movement is well under way in this Province, not so much along the lines of similar organizations in Ontario and the West, as a form of protest against "conventions," and "imposed candidates."

In the division of Two Mountains—Laval, Petrus Fortier, Mayor of Ste. Rochelle parish, has been chosen by farmers to contest the seat at the forthcoming elections. In the adjoining division of Terrebonne County, where there are two candidates, Hon. Andre Fauteux, Solicitor-General, for the Government, and J. E. Prevost, Liberal candidate, movement to select a farmers' candidate is making progress. In the division of Chateauguay-Huntingdon, a meeting was held at Ottawa last week at which a farmers' candidate was favored. A considerable sum was collected at this meeting for expenses.

It is no secret that Armand Lavergne, the well-known Nationalist, is going to throw in his lot with the far movement for the elections, and it is stated that he will likely launch the new party in Quebec shortly, with himself as candidate there.

BRANTFORD, Ont., Oct. 5.—The Brantford Examiner, Liberal, in an editorial, says it will occupy an important position in the forthcoming election. The decision, it is caused by an unwillingness to support the Liberal platform of today, when that platform contains a clause which is in the nature of an axe laid at the roots of certain industries in which its home city is vitally interested.

On the other hand, the paper says it will not support the Conservatives because of traditional Liberalism, and being unprepared to support a policy of undiluted or undefined protection.

YARMOUTH, N.S., Oct. 5.—Right Hon. Arthur Meighen, speaking here last night, said that the electors in supporting Mr. King had to choose between free trade and dishonesty. If the Liberals gave effect to their official platform, it meant free trade for Canada, if they did not, they were dishonest.

MICHILL, Ont., Oct. 5.—Dr. Michael Steele has been nominated by the National Liberal and Conservative Party in South Perth.

WARRAM, Ont., Oct. 5.—R. J. Ball, former M.P., withdrew yesterday as a Conservative candidate in South-east Grey.

WARKWORTH, Ont., Oct. 5.—Fred Steele was nominated yesterday as United Farmer candidate for Northumberland County.

BRANTFORD, Ont., Oct. 5.—A. W. Bant, of the Brantford Collegiate staff, was the choice of a joint Farmers-Labor party convention for Brantford yesterday. W. G. Good was nominated as the Progressive candidate in the riding of Brant.

STRATFORD, Ont., Oct. 5.—Dr. J. P. Rankin, ex-M.P., was chosen as the Liberal candidate in North Perth.

MIDLAND, Ont., Oct. 5.—At a joint convention of Farmer, Labor and Soldier organizations yesterday, Thomas Swindle, of North Orillia, was chosen to contest East Simcoe.

PORT CREDIT, Ont., Oct. 5.—Hon. Manning Dechery, Provincial Minister of Agriculture, and Hon. Walter Rolfe, Provincial Minister of Labor, defended the participation of members of the Drury Government in the Federal election campaign in the course of their speeches at a meeting of the United Farmers in the interest of Herbert Taylor, candidate, here last night.

WINNIPEG, Oct. 4.—William Horvath, Inspector for the Manitoba Workmen's Compensation Board, was nominated Liberal candidate for South Winnipeg tonight. The nomination was by one wing of the Liberal party in the constituency, headed by David Phillips. The other wing, which is headed by Duncan Cameron, M.L.A., is going ahead with its arrangements for a nomination convention to be held when the Liberal leader visits Winnipeg towards the end of the month.

NELSON, Oct. 4.—The United Farmers' organization held a political caucus here last night, and announced today that a convention of all branches of agriculture in the West Kootenay riding would be held in Nelson about October 18, to bring out a Farmer candidate.

HON. T. A. CRERAR OPENS CAMPAIGN

Leader of Progressives Speaks at Brandon on His Party's Aims—Opposed to Principle of Protection

BRANDON, Man., Oct. 5.—Hon. T. A. Crerar, speaking at the National Progressive party meeting here tonight, opened his campaign. The speech came late in the evening, and followed a convention at which the Progressive of the Brandon constituency chose R. Porke as their candidate in the general election.

The hall was packed, and an overflow meeting had to be organized. Mr. Crerar, who was loudly applauded, attacked the contention of the Prime Minister that protection had brought prosperity to Canada. In 1911, Mr. Crerar declared, census returns showed that Canada had a population of 7,200,000. Immigration since then, according to official figures, amounted to 1,500,000. In the same period, births, over deaths, numbered 1,140,000, so that, at the present time Canada should have a population of 10,140,000.

As a matter of fact, however, unofficial reports of this year's census showed that the total population of Canada would not be in excess of 8,400,000. That, said Mr. Crerar, leaves over a million and a half unaccounted for.

"Mr. Meighen wants to know where we stand in regard to the tariff," Mr. Crerar continued. "We stand opposed to the principle of protection as being neither sound economically nor right morally. Our policy on the tariff is development of the natural resources of agriculture, of the forest and of mining. These are the real industries. If we put them in a healthy, virid condition, our country will prosper."

Never had the problem of an election been so great. A new party had made its appearance. It was a natural thing that the movement should have had its birth among the agricultural sections of the community. Out of the farmers' organizations had grown a new ideal in public life. There had been many foolish resolutions passed, but there was a serious desire to solve national problems. But while the movement arose among the farming population, it was attracting to itself peoples of all classes in the Dominion.

FARMER LEADERS ARE CRITICIZED

President of Local Resigns as Protest Against Mr. Wood's Methods—R. C. Henders Attacks Hon. T. A. Crerar

GRANDE PRAIRIE, Alta., Oct. 5.—In a letter published in The Grande Prairie Herald yesterday, Joshua Fletcher, president of the district local U.P.A., tenders his resignation and withdrawal from the organization as a protest against the dictation of President Wood, whose policy in regard to Federal affairs is described as being dangerous and in effect designed to bring about national suicide.

Mr. Fletcher has been a leader in the United Farmers' movement for seventeen years. In his letter of resignation he calls on all citizens, regardless of class, who respect Canadian institutions, to unite in stamping out the system lately introduced into U.F.A. affairs as they would some dreadful disease. He makes it quite clear, however, that he remains a strong supporter of the local member of the provincial Legislature, Mr. Winipeg, Oct. 5.—Addressing a nominating convention of the National Liberal and Conservative Party at Neepawa last night, R. C. Henders, member for Macdonald, in the last Parliament, made an attack on Hon. T. A. Crerar, leader of the National Progressives, in connection with the grain trade. He charged that Mr. Crerar had been a consenting party, while Minister of Agriculture, to the decision not to touch the tariff in the favor of admitting J. Culbert, and charged his resignation from that Government was due to that "inordinate desire for power that had become evident among a group in the Farmers' convention in Brandon in 1919."

Speaking on the grain inquiry, he stated that the worst had not yet been disclosed, and criticized the United Grain Growers, of which the Progressive leader is the head, for linking up with the Grain Exchange when, in reality they had entered the exchange to watch the Farmers' interests.

Vote on Culbert's Admission

MONTREAL, Oct. 5.—It is announced here that aging under the instructions of President Weber, of the International Union of Musicians, every Canadian member of the union throughout the Dominion will, on Friday, vote whether or not they are in favor of admitting J. Culbert, the well-known orchestra leader, into Canada on a limited ticket.

Creeps Into the System Just Like a Serpent

Like a thief in the night, it steals through the system—that's how Catarrh acts. Don't trifle with such a scourge. Time and experience have proved that Catarrh is a wonderful remedy for all Catarrhal and bronchial troubles. You don't take any drugs, you just inhale the sweet, soothing vapor of Catarrh, which is laden with balsamic essence that soothes, relieves and cures the sufferer. To strengthen the throat, to sweeten the breath, to stop any discharge, to drive out Catarrh, colds and coughs, you must use Catarrh. Two months' treatment one dollar, smaller size 50c; all dealers, or the Catarrh Co., Montreal. (Adv.)

SINN FEIN EFFORTS TO PROCURE MONEY

BUENOS AYRES, Oct. 5.—Subscriptions to a loan for the elected government of the "Republic of Ireland," were invited by advertisements published here today by the "diplomatic mission of the Irish Republic."

This commission, headed by Laurence Ginnell, offered certificates in denominations ranging from 10 to 10,000 pesos. These were not negotiable, but on presentation at the treasury of the republic "one month after international recognition is extended."

would be exchangeable for gold bonds carrying five per cent interest from the first day of the seventh month after the liberation of the territory of the Irish republic from British military control."

The certificates offered, which were signed by Eamonn de Valera and representatives of the Dail Eireann,

and which bore the seal of the "Irish Republic," would be redeemable par a year after the Irish republic is recognized.

Robbed by Negro Bandit. PORT WORTH, Tex., Oct. 5.—Compelling eight members of a house party at Lake Worth, a resort near here, to tie each other, and then menacing the men and women for more than an hour, a negro bandit escaped with more than \$1,000 in jewelry, using a girl whom he attempted to attack, as a shield.

**PREDICT MR. IVEL WILL
SECURE NOMINATION**

Friends Confident He Will Be
Party's Standard-Bearer in
Federal Contest—Hon. Dr.
Tolmie's Supporters Active

Gossip in local Liberal circles had it yesterday that Mr. William Ivel will be the choice of that party's nominating convention which will be held on Friday night at the Liberal Club for the purpose of selecting a candidate to contest the Victoria riding against Hon. Simon F. Tolmie, Minister of Agriculture and standard bearer of the National Liberal and Conservative Party. Mr. Ivel's friends have been making a strong canvass in his behalf and they are confident that when the voting on the nomination is completed he will be the man who will lead the fight against the Government forces.

It was predicted yesterday that at least four names will go before the convention, those of Mr. Ivel, Mr. B. C. Nicholas, Mr. Lester Patrick and Mr. W. G. Stone, the last-named a veteran of the Great War, and at present a member of the staff of the Provincial Department of Labor. It is possible, too, that the name of Dr. Lewis Hall will be presented.

The Liberal convention will be made the occasion of a grand rally of party supporters. Premier Oliver and Hon. John Hart will be present and address the gathering, and other prominent Liberals will speak.

Nationalists Organize
Ward Five supporters of Hon. Dr. Tolmie are requested to attend the meeting to be held this evening at the campaign headquarters of the National Liberal and Conservative Association, in the old St. Francis Hotel upstairs, lower Yates Street. Steps to organize a ward association will be taken and plans laid for the coming campaign.

On Friday evening a Ward Four organization meeting will be held at the same place.

**START NEW PHASE OF
BRIDGE WORK SHORTLY**

Caisson Now Being Emptied
to Receive Concrete Forms
—Western Abutment Will
Be Finished This Week

Before the end of the week the big caisson in which part of the foundation of the Johnson Street bridge is to be built will be pumped dry, and the wooden forms for the concrete will be installed at once, City Engineer F. M. Preston stated yesterday.

The pumps have been in operation off and on since the beginning of the week, but several minor leakages were revealed and these are being stopped as the water is lowered.

The submersible pumps and end of the bridge site will be filled with concrete at the end of the week. About 600 cubic feet of concrete already have been poured. That is about half the total volume that will be required.

The first consignment of steel fabricated parts has left the plant of the Canadian Bridge Company in Walkerville, Ont., and it is expected to reach here within a few days. The construction of the steel part of the highway portion will be proceeded with early in November, according to the present schedule.

**MADE-IN-B.C. TOUR
'STARTS HERE SOON**

British Columbia's manufacturers, mainly from Vancouver with a few from Victoria, will invade Vancouver Island October 24 to spread the "Made in B.C." gospel.

The date of the tour's commencement was decided upon by the manufacturers' committee of the Vancouver Board of Trade at a recent meeting, and the Victoria Chamber of Commerce has been asked to co-operate in making the mission a success. It is planned to make the tour last about a week, so that the manufacturers can arrange for door-to-door sales at Nanaimo, Duncan, Ladysmith, Courtenay, Cumberland and perhaps Port Alberni.

Messrs. J. Carl Pendray, Herbert Pendray, R. W. Mayhew and other Victoria manufacturers are expected to join the party here.

**ECONOMIST TO TALK
AT INITIAL FORUM**

The Winter series of Chamber of Commerce forum meetings will be inaugurated "next Thursday at 8 o'clock, when Prof. Frank J. Laube, instructor in public finance at the University of Washington, will speak on "The Basis of Taxation."

Mr. J. R. Pett, chairman of the forum, will preside.

**HEADACHY, SICK AND
UPSET FROM LIVER
AND BOWEL POISON**

Cascarets will give you a thorough physic without griping or inconvenience. By morning you will be free from head, biliousness, gas, sourness, indigestion and constipation distress.

**WATER SERVICES HERE
SHOW BIG INCREASE**

Seven thousand, six hundred and seven water services were in operation in Victoria last month, according to a report filed with Water Commissioner F. M. Preston by Collector of Rates W. D. Preston. The report shows an increase of 213 over the corresponding month of 1920 and 312 over September, 1919.

Although September's figure does not create a new record in the number of services in operation in Victoria, figures show that for September it is remarkably high. One month in 1919 shows higher water consumption based on the number of services operated, but that was at a time when many temporary connections were made for the purpose of vacant lot cultivation. The majority of services now in operation are permanent.

**MAYOR PORTER MAY
SEEK FOURTH TERM**

Is Undecided Whether to Seek
Re-election—First Five Aldermen in for Two Years—
No By-Law Required

No by-law is required to make provision for the election of a City Council this year, according to the new two-year and single term plan, authorized by the Legislature last Spring.

The five aldermanic candidates receiving the highest number of votes automatically go in for a two-year term, while the next highest five will receive the one-year term. No further action has to be taken by the Council to authorize an election on this basis. It was learned yesterday at the City Hall, because provision is made definitely in the city's private bill, passed last Spring for the new regulations to supersede all previous statutes without additional preliminaries.

The municipal election this year will be about a month earlier than usual. The date is fixed for Wednesday, December 14, which will only be a few days after the Federal election.

So far there has been very little talk about the City Hall regarding the probable make-up of next year's Council. Mayor Porter, who is now serving his third term, says it is too early to consider whether he will be a candidate for re-election. No one else at present on the Council seems desirous of running for Mayor, and it seems practically certain that if Mayor Porter intends to run again, the opposition will be from outside the Council.

A shake-up in the School Board is likely, as several of the trustees, following the defeat of the special money-bill last Summer, declared they would withdraw from the Board at the close of the year.

Dr. Ernest A. Hall is the only member of the Police Commission who must stand for re-election. Present indications are that several candidates will be in the field.

**NEW CONCESSION
STIRS CITY HALL**

Members of Industrial Committee Criticize "Open Diplomacy" of Ald. Harvey—
Say He Exceeded Power

Ald. John Harvey, chairman of the Industrial Committee of the City Council, yesterday called the Hirst Woolen Mill at Bellis, Yorkshire, proposing that the city pay half the cost of the site required by the company for the establishment of a mill in Victoria.

Ald. Harvey's action caused somewhat of a stir at the City Hall yesterday, members of his own committee criticizing him for conducting the negotiations in the open, while aldermen not on the committee voiced emphatic objection on the ground that he had exceeded his authority.

"I am amazed with the proposition," declared Ald. W. F. Johnston, who, although not a member of the Industrial Committee, has taken particular interest in the woolen mill project. "Not only has this committee offered the company concessions which I feel sure most people would regard as altogether too liberal, but it has acted without the authority of the City Council."

Ald. Johnston said that he personally takes anyone into its confidence and has gone ahead, offering concessions which the Council, the only body with authority to make such concessions, is just another case—and there have been a good many similar ones this year—of a committee taking too much for granted and overstepping their powers.

Ald. A. M. Aitken, a member of the Industrial Committee, attacked Ald. Harvey for making the negotiations public at this stage.

Parley Informal
"We have been acting in a purely informal way, knowing that we have no authority," said Ald. Aitken. "We have simply been trying to negotiate a basis for satisfactory action with the company, and as soon as we reached a point where we could make a definite recommendation it would be our duty to make this overtures public. I thoroughly disagree with Ald. Harvey's policy of telling everyone about our intentions. It is poor business and will get us nowhere."

Ald. Aitken said that he personally would agree to giving the company the whole site, but he doubted whether the Council would endorse such a proposal.

Ald. Eugene Woodward, third member of the committee, denied all knowledge of the negotiations. "I don't know what is being done," he said.

In addition to paying the cost of the site, the committee proposes free water and tax immunity for fifteen years, on condition that the company agree to start construction within six months and complete its establishment in two years, bury Oriental labor and invest \$750,000 in plant and equipment. The mills would employ about 400 hands.

**WATER SERVICES HERE

**WILL AID FARMING
THROUGH EDUCATION**

LONDON, Oct. 5.—Right Hon. Sir A. Griffiths, vice-chancellor, Minister of Agriculture, announces that although the government has abandoned the policy of guaranteed prices and control of cultivation, they are determined to pursue the policy of education and research as the most permanent method of improving agriculture.

The announcement was made to the English council of Agriculture, which requested definite assurance of frank consultation whenever any important issue developed.

The council also asked that provision be made for loan advances to

working farmers who recently had purchased their holdings, similar to those granted to smallholders.**JAPANESE EMPEROR
IN WORSE CONDITION**

HONOLULU, Oct. 5.—The Nippon Jiji, a Japanese language paper published here, has received a cable dispatch from Tokyo announcing that the imperial household has issued a special bulletin saying that the condition of Emperor Yoshihito is still unfavorable. The dispatch declares that his locomotor faculties and his speech are partially paralyzed, and also that his power of memory has decreased.

It is asserted that the dispatch was issued after a consultation between members of the imperial board.

**MASSEY-HARRIS PLANS
PLANT IN AUSTRALIA**

TORONTO, Oct. 5.—The Massey-Harris Implement Company announced yesterday that a plant will be opened by them in Australia for the manufacture of tractors for the Australian trade.

The company produced six million dollars' worth of machinery for Australia last year. The new Australian tariff has closed the Commonwealth to outsiders, and it becomes necessary to set up a plant there in order to hold this trade.

Acquitted on Murder Charge
HAMILTON, Ont., Oct. 5.—Edward Dickson was acquitted yesterday on the charge of murdering Dr. E. J. Whitworth, of Blenheim, on December 23. The prisoner was not freed, but held on a charge of robbery in connection with the case. Two men who appraised the verdict were given two weeks in jail.

**SIR GEORGE FOSTER
SENDS HIS FAREWELL**

TORONTO, Oct. 5.—Sir George Foster, in a letter to the president of the Toronto Central Conservative Association, severs his official connection with the riding of North Toronto and thanks his friends warmly for the support they had given him in past years.

After forty years of active public life, Sir George thought he had earned a respite from the more harassing duties of House of Commons work.

**HIS FINGERS WERE
DRAWN LIKE CLAWS**

Burden's Whole Body Ached With Rheumatism—Is Like a Different Person Now

"Tanica deserves the palm, for it does everything that is claimed for it," said Ernest Burden, Victoria, Courtenay, corner Victoria and Robinson Streets, Regina, Sask.

"When I began taking Tanica my whole body ached from rheumatism, but it was worse in my right arm and fingers than anywhere else. My fingers would draw up in the morning and stiffen until they looked like claws. I had very little appetite and was simply a bundle of nerves."

"I'm glad to say I'm like a different man now, eat better, sleep better and work better than I have in years. I'm willing to go down in black and white as recommending Tanica because I have confidence in it."

Tanica is sold in Victoria by Duncan E. Campbell and leading druggists everywhere.

ARMISTICE DAY

Whatever is decided upon to commemorate Armistice Day should be in keeping with the importance of that anniversary. More than that, some event in the form of an annual commemoration should be arranged and there should be due observance of it through the years. The proposal that all to be done should be the observance of a two minutes' silence in memory of the dead in the Great War is all very well as part of the ceremony, but it is not enough. There should be a memorial service in which there ought to be due and full recognition of the Giver of Victory. There was an understanding that Thanksgiving Day in the future should be set on Armistice Day when that anniversary falls on a Monday, and, otherwise, on the nearest Monday to November 11, so that the day of thanksgiving should also be celebrated as the anniversary of the suspension of hostilities in the great war. If this plan is to be followed by the Federal Government, then there is all the more reason for marking Canada's Thanksgiving Day in a new manner, for it will obtain a significance which it never enjoyed before. The real thanksgiving day of the country is November 11, and Armistice Day must be observed as the anniversary most suitable for honoring the memory of those who gave their lives in the cause of freedom. The event is one in which every organization and every individual should be interested, and it is hoped whatever may be proposed will fit the occasion.

A QUESTION OF TAXATION

The arguments advanced by Mr. W. H. Davies, who is the protagonist of incorporation for the district of North Saanich, are, not conclusive, for in his individual capacity he can promise nothing. "Backed by previous experience," he says, "we state that the taxes will not be increased." The previous experience to which he alludes is the time when North Saanich was a municipality before. In those years, namely 1904-1911, the people in the great majority of municipalities in British Columbia were able to pay their taxes because land values had not reached the high assessment of today. Now it is very different, and Mr. Davies knows that there is a special session of the Legislature shortly to be held for the specific purpose of affording such financial relief to municipalities as will enable them to surmount their present difficulties, all of which have been due to demands for improvements, and, consequently, excessive taxation levied to meet these demands.

The objections that have been advanced in this newspaper and that are being advanced by a considerable number of the residents of North Saanich against incorporation are put forward solely in the interests of that district. It is a case of rival views of how those interests can be best conserved and improved. We hold with those who maintain that the population of North Saanich does not warrant the incorporation of the district as a municipality at this time, and that the area which contains this population is too extensive to allow of anything of real prospective benefit being done without considerable increases to existing taxation. In support of this argument it is only necessary to point to the examples of practically every municipality in the Province. Incorporation means that a new machinery for taxation has been created. That new machinery is going to exercise its function, and Mr. Davies can give no undertaking whatever that existing taxation will not be increased. The errors of the larger municipalities of the Province are being repeated in many of those rural districts which have been incorporated, in that the incubus of taxation is leading to confiscation of the land and production is suffering in consequence. North Saanich will do well to bide its time until conditions are more favorable than they are today.

POPULATION REMEDY FOR RAILWAY LOSSES

TORONTO, Oct. 5.—In support of his contention that the only cure for Canada's railway losses is to fill Western Canada with a desirable class of settlers, Sir Joseph Flavelle, speaking here yesterday, said: "You can only have earnings if you have business, and business well done. I confess to a sense of deep surprise that there is so little aroused public opinion, either in government or in trade circles, or in the press, that the one and only remedy for this situation, which takes millions of dollars of good money every week and pitches away the only remedy is more people, greater production, greater tonnage and more passengers. All our plan is concerned with the idea of filling the vacant lands in the West—they won't fill themselves. The ablest body of men in Canada could well be segregated for the purpose of studying and applying the soundest methods to add to the population in the Western Provinces and produce the necessary tonnage, and there is no other relief."

PREPARED TO HELP GERMAN TREASURY

LONDON, Oct. 5.—Large sums of money may be placed at the disposal of the German government for use in the payment of reparations by the German Industrial Federation, says a Berlin dispatch to the Exchange Telegraph Company. The federation has named a committee to negotiate with the government regarding the details of the plan, the dispatch says. Among the members of the committee are Hugo Rinnow, the German industrial magnate; Dr. Alfred Hugenberg, member of the National Assembly; Felix Deutsch, head of the German General Electric Company, and Dr. Walter Bismarck, former Minister of Foreign Affairs.

Attempts Suicidal
 MONTREAL, Oct. 5.—With two bullets in his head, George Edwards, 38, is still alive here. He attempted to blow his brains out, and when the first bullet proved ineffective, coolly fired again. His condition is critical.

verse exchange rate would seem to lie in buying less from the United States and producing more ourselves for our own needs. In the present election campaign both the Liberals and the Farmers are seeking to be returned to power on the strength of their promises that the protective tariff walls will be thrown down and American goods allowed to flood Canadian markets. This must mean that we should buy more from the United States and sell less to that country, with the inevitable result that the value of the Canadian dollar would be further depreciated.

The Republican Party in the United States is pledged to a policy of high protection. This has been illustrated by its actions in raising the tariff barriers since it came into power. The result of these new protective duties has been to diminish and retard, and, in some instances, to stop Canadian sales of foodstuffs in the United States. A tariff wall has been raised against this country in those very articles with which Canada can best supply the United States, so that the aim of legislators in this country should be, if internal prosperity is to be promoted, to buy less goods from the United States. This fact is recognized in the United States, and no country in the world would be more agreeably surprised if, as a result of the forthcoming election, a party pledged to the abolition of the protective tariff were returned to power. Americans do not expect that this Dominion will sacrifice itself industrially in their interests. They are a businesslike nation who expect to be treated as they treat others. Here, for instance, is the comment of The American Economist on the tariff situation:

It may be set down as final that the Canadian tariff revision will be purely with reference to Canadian interest and not that of the American exporter. That is the way tariff revision ought to be undertaken. If the Canadian Government were to give first heed to the desires of the American exporter it would be time for the Canadian people to put the Government on the scrap heap and to select one that could write across the papers of its legislation "Canada First."

If we may judge by the platforms of both the Farmers and Liberal Parties the effect of what they advocate would be to take first heed of the interests of the American exporter, for, by throwing down the tariff walls, this country would quickly lose its fiscal independence. Again and again, in a national way and through local campaigns, the cry is raised to buy home products and keep our own money in circulation at home. It is an excellent cry, but it is something that can never be achieved if, by an abandonment of the policy of protection, the surplus products of the United States are permitted to enter Canada subject only to purely nominal duties, or, perhaps, no duties at all. The Republican Party in the United States is pledged to a programme exactly opposite to that advocated by both the Farmers and the Liberals in this Dominion. "The Republican Party," said President Harding, "reaffirms its belief in the protective principle and pledges itself to a revision of the tariff as soon as conditions shall make it necessary for the preservation of the home market for American labor, agriculture and industry." In the present election campaign Premier Meighen and his Government are fighting for the maintenance of the protective system in Canada simply because the logic of the situation shows conclusively that the whole economic prosperity of the country and its financial salvation depend on the encouragement of production at home and the buying of less and less of the imports of foreign countries.

SELECT OFFICERS FOR ENSUING YEAR

Mrs. Hyndman Chosen Presi-
dent of Canadian Women's
Club at Annual Meeting—
All Officers by Acclamation

Balloting was not required for the
election of officers of the Canadian
Women's Club at its annual meeting
yesterday, in each instance the nomi-
nees being elected by acclamation. The
following is the selection made for
the direction of the club's activities
during the coming year:

President, Mrs. Hyndman; first
vice-president, Mrs. Spottford; second
vice-president, Miss Helen Stewart;
recording secretary, Mrs. Percy El-
liott; treasurer, Mrs. Bradshaw; press
secretary, Mrs. H. P. Hodges.

There were thirteen nominees for
the executive, the successful seven
being announced as follows after the
ballots were counted: Mrs. J. H.
Fletcher, Mrs. Gallier, Miss Sara
Spencer, Mrs. S. P. Tolinie, Mrs. Joe,
Miss Clay and Mrs. W. A. Jamieson.

Splendid Meeting
The meeting took place in the Em-
press Hotel, two hundred and forty-
two members being present. Mrs.
Jenkins, the retiring president, who
had declined to run for office another
term, presided, and was the first to
offer congratulations to Mrs. Hynd-
man, the new president, who, she
said, had, as vice-president, occupied
the chair on many occasions during
the past year with much distinction.

Mrs. Hyndman, in thanking the meet-
ing for her election, paid a tribute to
the retiring president when she re-
ferred to the high standard which
had been set by Mrs. Jenkins during
her long regime as head of the or-
ganization.

Mrs. R. W. Perry proposed a vote
of thanks to the retiring officers, and
Mrs. Spottford gave notice of her
amendment to the constitution, such
amendment aiming at the ad-
mission to club membership of only
such women as had been born in
British Columbia.

During the afternoon, while the
ballots were being counted, Miss Wat-
kins played a much appreciated
piano solo, and Mrs. H. P. Hodges
sang two vocal numbers, one being an encore.

The following, in part, is the an-
nual report of the Women's Canadian
Club, Victoria, for the year ending
September 30, 1921, as submitted by
the secretary, Mrs. H. A. Fletcher:

Only its usefulness in serving and
its aptitude for meeting a real need
in the community justifies the exist-
ence of any organization which today
lays claim to the time and the en-
ergies of busy men and women.

It is a difficult matter to judge just
the place that Canadian womanhood
should occupy and the extent of her
co-operation in the great task of re-
construction. We simply accept the
fact that from the very nature of the
circumstances she might and ought
to become a prominent factor, and
the Women's Canadian Club, as the
national organization of Canadians,
offers a splendid opportunity for her
to take her place and to do her part.

During the past year the efforts of
the club have been directed along
such lines, consistent with its aims
and purposes, as opportunity offered.

The regular bi-monthly meetings,
seventeen in number, have been
largely attended and greatly appre-
ciated by the members. Excellent
addresses on various interesting sub-
jects were given by men and women
well qualified to deal with the sub-
jects in hand.

The first speaker of the season
was Mr. Taylor Station, organizer
for the C. R. E. T., and Mr. Atkinson,
secretary of the International Fed-
eration of Boys' Clubs, who presented
the all-important "boy problem" and
outlined some methods of dealing
with the same. Mrs. Schofield, on
her return from attendance at the
Lambeth Conference, addressed the
club on "Child Welfare," in which
the comparison was drawn between
infant mortality in congested centres
in England and under the more fa-
vorable conditions existing in Canada.

Miss Agnes Black, honorary sec-
retary of the World's W. C. T. U., of
London, England, gave a most inter-
esting review of "India's Impressions
of Christianity and Christian Na-
tions."

Lecture Series
The last of the series of lectures
on the "Countries of the Allied Na-
tions" was given by Signor Blomdi,
who dealt with Italy and part taken
in the war. Eva Moore, of the Es-
mond Opera Company, gave the club
a most interesting resume of the
work done amongst our soldiers dur-
ing the Great War by the organized
Association of Actors.

"The part which Armenia had
taken in the Great War" was told by
Mrs. Lamson, of Seattle.

Mrs. Irene Moody, Vancouver, in
an admirable manner presented to
the club members, "The responsibility
of and the necessity for rearing a
mentally, morally and physically fit
child."

The subject of "Child Welfare" was
ably presented to the club at a large-
ly attended meeting by Dr. Helen Mc-
Murchy, of Toronto, head of the
Dominion Department of Child Wel-
fare.

Dean Coleman, of the University of
British Columbia, took as the subject
of his address "Old and New Eng-
land." The Rev. Rochester addressed
the club on the vital question of
"Sabbath Observance." Professor
Redgwick, in an interesting address
of "Character, the Product of School
Life," stressed the fact that book
learning does not constitute the sole
object of the school. Dr. Melbourne
Haynor, chairman of the Victoria
School Board, in presenting "Some
Phases of School Work," em-
phasized the necessity of special at-
tention being given the retarded child
in the schools as a matter of justice
to the child and of economy to the
state.

The Hon. Mary Ellen Smith spoke
to the club on legislation regarding
marriage and divorce as it affects
woman. A most interesting and in-
structive address was given by Mr.
Ozell French on "Silver and Black
Fox Breeding as an Industry in Can-
ada."

"Harmful Books for Children and
Their Antidote" was the subject of a
helpful address by Miss Andrus, of
Seattle. Mrs. Edmund Peterson gave
a forceful and inspiring talk dealing
with the interesting subject, "Wo-
man's Place in the Empire."

The club participated in "The Fair
of Nations" held in the Armory, by
conducting a "Made-in-Canada ex-
hibit," thereby netting a sum of \$128
for the Y. W. C. A.

Sixty cakes were contributed to the
Balfour Club towards its Christmas
cheer for patients at Balfour Sanato-
rium. The sum of \$50 was given
towards the Rotary Christmas tree,
\$25 to Craikdarroch, and a like sum
to the Esquimaux Military Hospital,
also \$25 to the Protestant Orphanage
and \$10 to each of the following:
The W. C. T. U. Home, the Girls'
Club, the Y. W. C. A., the Y. M. C. A.,
and towards the entertainment of the
Canadian navy while in port.

Flowers were presented in behalf
of the club to the Duchess of Devon-
shire on the occasion of the farewell
official visit of Their Excellencies in
Victoria; to Miss Kathleen Parlow;
to Mrs. Perry, one of the club's most
faithful members, during her illness;
to our honored president, Mrs. Jen-
kins, by the members of the execu-
tive, on her return after a lengthened
absence from the city. Flowers, ex-
pressive of the sympathy of the club,
were sent on the occasions of the
funerals of the late Lieutenant-Gov-
ernor, Colonel E. G. Prior, and the
late Mr. Robert E. Day, president of
the Hospital Board.

Much of the success of the club's
activities during the past year is due
to the faithful work of Mrs. Dun-
can, Mrs. H. E. Young and Mrs.
Gallier, the executive committee;
to Mrs. A. J. Clyde, who arranged the
musical numbers for all meetings;
to Mrs. Charles Conyers, who has kindly
acted as accompanist; to Mrs. C. W.
Bradshaw, who convened all arrange-
ments for refreshments at the social
functions; to all of whom the club is
indebted for most faithful and oft-
times exacting service.

The membership for the year was
797. During the year 276 new ap-
plications were received, the present
total membership being 770.

The executive desires to record its
appreciation of the great assistance
the club has received from Mrs.
Hodges, press secretary.

We take this opportunity of for-
mally thanking the press for their
generous publicity; the speakers and
artists who gave their services so
generously; and to the kind friends
whose assistance made it possible for
the club to carry out this year's pro-
gramme.

In presenting this resume of the
club's activities for the year 1921-
1922 we feel justified in saying that
under the capable leadership of our
honored president, Mrs. Margaret
Jenkins, with the assistance of our
able and faithful executive and with
the co-operation of the members gen-
erally, the club has had a very suc-
cessful and, we trust, profitable year.

**ROTARIANS TO HEAR
ABOUT SEA POWER**

Mr. R. D. Davies, provincial educa-
tional secretary of the Navy League,
will address the Rotary Club lunch-
noon today at the Empress Hotel on
"The Value of Sea Power and the
Work of the League in Canada."

Members of the club and officers of
the Navy League have been invited to
take their wives to the luncheon. Sir
Edmund Peers, president of the
League, will be present.

The sports and dance committees
will make reports on the winter
entertainment programme.

Tomorrow President Lester Patrick
and Secretary T. J. Goodlake will
leave for the district conference of
presidents and secretaries at Salem,
Or., District Governor E. L. Allen,
of Seattle, will preside at the sessions.

and purposes, as opportunity offered.
The regular bi-monthly meetings,
seventeen in number, have been
largely attended and greatly appre-
ciated by the members. Excellent
addresses on various interesting sub-
jects were given by men and women
well qualified to deal with the sub-
jects in hand.

The first speaker of the season
was Mr. Taylor Station, organizer
for the C. R. E. T., and Mr. Atkinson,
secretary of the International Fed-
eration of Boys' Clubs, who presented
the all-important "boy problem" and
outlined some methods of dealing
with the same. Mrs. Schofield, on
her return from attendance at the
Lambeth Conference, addressed the
club on "Child Welfare," in which
the comparison was drawn between
infant mortality in congested centres
in England and under the more fa-
vorable conditions existing in Canada.

Miss Agnes Black, honorary sec-
retary of the World's W. C. T. U., of
London, England, gave a most inter-
esting review of "India's Impressions
of Christianity and Christian Na-
tions."

Lecture Series
The last of the series of lectures
on the "Countries of the Allied Na-
tions" was given by Signor Blomdi,
who dealt with Italy and part taken
in the war. Eva Moore, of the Es-
mond Opera Company, gave the club
a most interesting resume of the
work done amongst our soldiers dur-
ing the Great War by the organized
Association of Actors.

"The part which Armenia had
taken in the Great War" was told by
Mrs. Lamson, of Seattle.

Mrs. Irene Moody, Vancouver, in
an admirable manner presented to
the club members, "The responsibility
of and the necessity for rearing a
mentally, morally and physically fit
child."

The subject of "Child Welfare" was
ably presented to the club at a large-
ly attended meeting by Dr. Helen Mc-
Murchy, of Toronto, head of the
Dominion Department of Child Wel-
fare.

Dean Coleman, of the University of
British Columbia, took as the subject
of his address "Old and New Eng-
land." The Rev. Rochester addressed
the club on the vital question of
"Sabbath Observance." Professor
Redgwick, in an interesting address
of "Character, the Product of School
Life," stressed the fact that book
learning does not constitute the sole
object of the school. Dr. Melbourne
Haynor, chairman of the Victoria
School Board, in presenting "Some
Phases of School Work," em-
phasized the necessity of special at-
tention being given the retarded child
in the schools as a matter of justice
to the child and of economy to the
state.

The Hon. Mary Ellen Smith spoke
to the club on legislation regarding
marriage and divorce as it affects
woman. A most interesting and in-
structive address was given by Mr.
Ozell French on "Silver and Black
Fox Breeding as an Industry in Can-
ada."

"Harmful Books for Children and
Their Antidote" was the subject of a
helpful address by Miss Andrus, of
Seattle. Mrs. Edmund Peterson gave
a forceful and inspiring talk dealing
with the interesting subject, "Wo-
man's Place in the Empire."

The club participated in "The Fair
of Nations" held in the Armory, by
conducting a "Made-in-Canada ex-
hibit," thereby netting a sum of \$128
for the Y. W. C. A.

Sixty cakes were contributed to the
Balfour Club towards its Christmas
cheer for patients at Balfour Sanato-
rium. The sum of \$50 was given
towards the Rotary Christmas tree,
\$25 to Craikdarroch, and a like sum
to the Esquimaux Military Hospital,
also \$25 to the Protestant Orphanage
and \$10 to each of the following:
The W. C. T. U. Home, the Girls'
Club, the Y. W. C. A., the Y. M. C. A.,
and towards the entertainment of the
Canadian navy while in port.

Flowers were presented in behalf
of the club to the Duchess of Devon-
shire on the occasion of the farewell
official visit of Their Excellencies in
Victoria; to Miss Kathleen Parlow;
to Mrs. Perry, one of the club's most
faithful members, during her illness;
to our honored president, Mrs. Jen-
kins, by the members of the execu-
tive, on her return after a lengthened
absence from the city. Flowers, ex-
pressive of the sympathy of the club,
were sent on the occasions of the
funerals of the late Lieutenant-Gov-
ernor, Colonel E. G. Prior, and the
late Mr. Robert E. Day, president of
the Hospital Board.

Much of the success of the club's
activities during the past year is due
to the faithful work of Mrs. Dun-
can, Mrs. H. E. Young and Mrs.
Gallier, the executive committee;
to Mrs. A. J. Clyde, who arranged the

Admirable Frocks of Serge and Tricotine

—with dainty styles and very reasonable
prices two important features

Innumerable are the occasions when a dress of serge or
tricotine is the ideal frock to wear. For business, street,
for home or travelling, it is easy to make a happy selec-
tion. Some have short sleeves and others long; designs
feature the coat effect, straight line or overskirt; trim-
mings vary from subdued stitchery in self tones to the
most elaborate embroideries of silk braid and beads.

meeting in the auditorium of the
High School, Mr. Lister, principal of
the technical school in Vancouver,
being the chief speaker and "Tech-
nical Education" the subject.

Scholarship Given
An encouraging higher education,
a tuition scholarship for the Victoria
College was offered the girl in the
Victoria district schools taking the
highest marks in the matriculation
examinations and who purposed tak-
ing the university work in the college.
This scholarship was awarded Miss
Gwendoline Hardie, of the Oak Bay
High School, and was presented to
her by Municipal Inspector, Mr.
George H. Deane, at the last meet-
ing of the club.

On the invitation of Mr. Van
Kouglint, honorary superintendent
of soldiers' comforts overseas, a letter
expressing the high appreciation of
this club of the splendid work of
Canadian nurses overseas was for-
warded, to be presented with others
at a mass meeting to be held in
Massey Hall, Toronto.

The club participated in "The Fair
of Nations" held in the Armory, by
conducting a "Made-in-Canada ex-
hibit," thereby netting a sum of \$128
for the Y. W. C. A.

VANCOUVER ISLAND MILK PRODUCERS' ASSOCIATION
230 North Park St., Victoria

City and District in Brief

Mrs. Longfield Dead—The death occurred late last night, at the age of seventy-eight years, of Mrs. Longfield, of the College St. Music, 1902 Cook Street.

West Saanich W. L.—The West Saanich Women's Institute will hold a military 500 drive at their rooms, Sluggs Station, tomorrow, at 2:30 o'clock. This drive is the beginning of a series to be held during the winter months.

Old Country Mail—Arriving yesterday's mail appeared ten bags of newspapers and nine bags of letters, which left Liverpool on September 30. Also arriving at the same time were eleven bags of letters and nine bags of newspapers which left Southampton on September 24.

Court Triumph—The ladies of Court Triumph, A.O.F., will hold their regular meeting in Foresters' Hall tomorrow evening at 7:30, for initiation of new members and other important business. The social feature will be a tournament which game played with a team from Court Camouan.

Girl Guides—The Second Victoria (Lady Douglas) Company, Girl Guides, will hold their first Guide drill for the winter months tomorrow, at their new headquarters in Stadacona Park. All members should be present, as arrangements are to be perfected for a field day to be held on Saturday next.

Next-of-Kin—A meeting of the Next-of-Kin Association will be held in the rooms of Mrs. Wicks, Brown Block, Broad Street (opposite Spencer's), on Friday evening at 7:45. Important business concerning the future of the association will be discussed. Members are requested to attend.

Annual Pound Party—The W. C. T. U. Home on 14th Street is holding its annual pound party on Tuesday, October 11, from 8 o'clock until 6 o'clock. The public is cordially invited to send and receive contributions, and the officials of the Home hope that this year's response will exceed last year's results.

Margaret Jenkins School—Commencement exercises will be held in the Margaret Jenkins School tomorrow, beginning at 2 p.m. Pupils of the school will give a short programme to be followed by the presentation of High School certificates and diplomas. Friends of the school and particularly of the old pupils are invited to be present.

Came From Edinburgh—The Provincial Police are in touch with lawyers in Scotland who knew the late William Fraser, who was killed in a day evening in Esquimalt harbor. He came to this country from Edinburgh and is reported to be well connected there. The police await information from relatives before making arrangements for the funeral.

Local Composer—Among the musical items of the concert to be given in St. Mary's Hall this evening in aid of the Boy Scouts' Association is a new composition, a trio for three violins with piano accompaniment, pronounced by the music critics as delightful. From the pen of Miss Jessie Hyrd, 1485 Fort Street, Miss Shrapnell's violin pupils will play this number.

Gordon Head Concert—Tomorrow evening at 8 o'clock, the Gordon Head "Silver Lining" Mission Band will hold a concert in the Gordon Head Hall. The girls have been practicing diligently for the past month, and a very novel programme has been arranged. Besides the local talent the assisting artists will be Miss Jessie Carter, violinist, from the University of Victoria, and Miss E. J. Ertlin, who will furnish the humorous side of the programme. Mrs. Todd and her party, all of Victoria.

Espanto Group Meets—Last evening the Espanto Group held its first meeting after the summer vacation. In room 6, Brown Block, Broad Street. There was a good attendance, and several new members joined. The office of vice-president having become vacant through Mr. G. Shaw's departure from the city, Mr. York was elected in his place. In future meetings will be held on Tuesday evenings at eight o'clock, instead of on Thursdays, as formerly.

Former Resident Returns—An interested visitor to the Saanich Fair yesterday was Mr. William Smith, of Port Angeles, who formerly resided in Saanich, but left there thirty-two years ago, having never returned to the Peninsula in the meantime. He remarked the big change in both the city and Saanich. After seeing the fair, Mr. Smith went on to visit Mr. Wm. Armstrong, of "The Maples," East Saanich Road, an old friend of his.

Case Remanded Again—Walter Adie, the local collector charged with stealing over \$100 belonging to Dr. Forrest Leeder, was remanded again today till October 10, to allow the prosecution to gather exact details of the amounts said to be stolen. The alleged thefts having been committed over a considerable period of time, it would require some days to get the evidence complete, and the prosecution, C. H. McDowell appeared for Dr. Leeder, and R. C. Lowe acted for the accused.

Arrested on Boat—Wanted in Vancouver on a charge of obtaining money under false pretences, Hugh J. Turner was arrested on board the Princess Charlotte yesterday afternoon on the arrival here of the vessel by Detective Inspector George M. Perdus and Detective Phillips. Turner was en route for Seattle, and while the boat was here he kept himself secluded, but the officers found him out and he was taken to police headquarters. He will be taken back to Vancouver today to stand trial.

Concert in Aid of Boy Scouts—The concert which the St. Mary's Church Boy Scouts and Cubs, Oak Bay, are holding this evening in St. Mary's parish, promises to be a huge success. An excellent programme has been arranged by the committee, which includes many of Victoria's popular artists. The entire proceeds of the concert will be devoted to the repainting of the Scouts' Hall on Chandler Street, which is urgently in need of repair to make it habitable during the winter months. The concert will start at 8:15 p.m.

Ward Two Liberals—A meeting of the Liberals of Ward Two was held in the Liberal rooms, in the Kent Building, last night, when matters of registration and naturalization were discussed. There was only a small attendance, and the meeting was addressed briefly by Mr. W. Ivel, president of the Victoria Liberal Association. Plans for the coming contest in the interests of the party were referred to, and the meeting recommended that an organizer be appointed by the Association to take

charge of the rooms and work of organization during the campaign.

Hospital Benefit Ball—Delegates from the various women's societies which are assisting with the Jubilee Hospital benefit ball, instituted by the Musicians' Union of Victoria, are asked to remember the committee meeting which is to be held at 3:30 this afternoon at the Conservative Rooms, Campbell Building, for the purpose of perfecting plans for the forthcoming event, which takes place at the Empress on Wednesday, October 19. Mrs. Umbach, convener of the ticket committee, reports that ball tickets will be on sale at Veller's, Wilkinson's, Hilben's, Mitchell & Duncan's, and the Empress Hotel.

Presbyterian Church Association—The first general meeting of the Presbyterian Church Association will be held this evening at 8 o'clock, in the Orange Hall, Courtenay Street. The object of the association is to maintain the integrity of the Presbyterian Church in Canada in the most cordial relations with all other branches of the Church of Christ. Addresses outlining the aims of the association, and explaining the action of the last General Assembly, will be given by ministers and laymen. Membership in the association is open to all Presbyterians who sympathize with its aims, and they are invited to attend the meeting.

Newspapers at Supper—Last night a supper took place at the "Strangers' Rest" Restaurant, on the corner of Pandora and Government Streets, where a large gathering of "newspaper men" assembled to take part in the programme, which was arranged under the auspices of the Gospel Hall. Supper was served at 7 o'clock, and Bible lessons took place shortly afterwards. The subject was on Noah's Ark, and the speaker was Mr. I. Smith. The conductors of the affair wish to announce that on Wednesday, at 4-45, they will hold a banquet, and it is hoped that there will be as large an attendance as there was at the previous supper. There were a hundred and fifty newspapers present.

Broke Traffic Regulations—One Chinaman and two white residents were fined in police court yesterday for breaches of the city by-laws respecting traffic regulation. Wong, first or second name unknown, was fined \$5, plus \$2.50 costs, for leaving a horse and rig standing at the corner of Pandora and Government Streets, on September 23 in such a way as to interfere with traffic and in front of a fire hydrant. Percy Allen, of 3159 Beach Avenue, was given a fine of \$10 for driving a motorcycle on Yates Street, Sunday, faster than 15 miles an hour. Grant Johnson, October Manistota, Cook Street, paid a fine of \$5 for leaving his car at other than a street intersection.

New Civil Service Body—The federal employees of Western Canada have formed an association known as the Amalgamated Civil Servants of Canada, which organization will come into existence on November 1 next. The Victoria federal civil servants, as delighted by the move, have proved of joining the new body, and steps to that end have been taken. With the idea of getting all the civil servants together, the object of the association is to bring about a more efficient service, a smoker, arranged by the Victoria branch of the Amalgamated Postal Workers, will be held, to which all federal employees will be invited and at which discussion of the programme of the new association will be had and members secured. Application forms for membership may now be secured from Mr. A. Silbey, secretary of the Victoria branch of the Amalgamated Postal Workers, who may refer to the list of the following organizers: Messrs. Christian Siverts, C. Bloomfield, R. Knight and A. Silbey.

Gifts for Lighthouses—This afternoon the Ladies' Guild of the Connaught Seamen's Institute will hold their silver tea and shower for the purpose of collecting gifts to send to the families of the lighthouse keepers along the British Columbia coast as Christmas boxes. These boxes must be packed and dispatched within a very short time if they are to reach the remote stations in time for Christmas, so it is hoped that the response to the appeal will be generous and will show appreciation of the splendid work which the lighthouse keepers are doing in safeguarding the passengers on the ships that navigate the treacherous waters of this part of the Pacific. An appeal is sent out at the same time for gifts suitable for Christmas boxes for the sailor settlers, several of whom are scattered about the Province and to whom the Ladies' Guild is trying to send some cheerful remembrance as a mark of gratitude for the heroic part the navy played during the war. Woollen garments of any kind, tobacco, sweets, toys for the children will be acceptable.

POSTOFFICE WORKERS SUSPEND STRIKE FUND

LONDON, Oct. 5.—The Postoffice Workers' Union has decided to suspend the collection of strike funds owing to the economic difficulties felt by the lower paid workers.

For some time the confused loyalty of the workers toward the union has been threatened, and this decision may be taken as a concession to the more moderate opinion among the members.

New Method

Nujol is a lubricant, not a laxative. Without forcing or irritating, Nujol softens the food waste. The many tiny muscles in the intestines can then remove it regularly. Absolutely harmless—try it.

Nujol
For Constipation

OBITUARY NOTICES

ANDERSON—The remains of the late Walter James Anderson were laid to rest yesterday afternoon at 3 o'clock. The Rev. Dr. W. L. Clay conducted the impressive funeral service at the B. C. Musical Company's Chapel. There were many relations and friends present—the many beautiful floral designs showing the esteem in which the late Mr. Anderson was held. The hymns sung were "Abide With Me" and "Nearer, My God, to Thee." The pallbearers were: Messrs. J. D. Virtue, J. C. M. Keith, G. R. McTavish, W. C. Paterson, J. T. J. Moyer and W. E. Deydahl. Interment was made at Ross Bay Cemetery.

ROBERTS—The funeral of the late Mrs. Katherine Roberts takes place this afternoon from her late residence, 403 Young Street, at 2:30 o'clock. The Rev. Dr. W. L. Clay will conduct the service. Interment will be made at Ross Bay Cemetery.

HARGREAVES—The death occurred, on the 5th inst., at his home, 2085 Goldsmith Street, of James Henry Hargreaves, aged 75 years. The late Mr. Hargreaves was born in England, and had lived a retired life in Victoria for the past fifteen years. He was for many years assistant city engineer of the city of Winnipeg and later commissioner of the city of Edmonton. He was a civil engineer by profession and had held many important positions both in England and Canada, and was a member of high standing in the British Society of Civil Engineers. The late Mr. Hargreaves was a member of the Masonic craft for over forty years, and a Past Master of his lodge in England. He is survived by his widow, one son and one daughter, also four grandchildren. The remains are resting at the Thomson Funeral Home, where the funeral will take place on Friday afternoon, October 7, at 2 o'clock.

FINDLAY—The funeral of the late Catherine Findlay, whose death occurred on October 2, will take place this afternoon at 2 o'clock from the Thomson Funeral Home. Rev. Joseph McCoy will officiate. Interment will be made in Ross Bay Cemetery.

DOYLE—The funeral of the late Mrs. Annie Christina Doyle, whose death occurred last Tuesday at the Royal Jubilee Hospital, will take place this afternoon at 2:30 o'clock from the Bands Funeral Chapel. Rev. Joseph McCoy will officiate, and interment will be made at Ross Bay Cemetery. The deceased was the wife of Mr. William Doyle, of 1043 Topaz Avenue, and was born in Massachusetts, U.S.A., in 1894, and had been a resident of this city for the past twenty-one years, and is survived by, besides her husband, one daughter, of this city; also two sisters, one of Vancouver, B.C., and one in St. John, N.B.

The Player-Piano Is Popular

Following the lead of many of the world's greatest pianists, who have endorsed the musical capabilities of the player-piano, this instrument is receiving the preferment it really deserves.

This popularity is the outcome of the many improvements embodied in the player-piano in recent years.

Instruments that show all of these latest improvements are the Gerhard Heintzman, Cecilian and Sherlock-Manning. You may examine them here today. Prices, with a selection of music rolls, from

CHICAGO ALDERMEN ON TOUR OF COAST

VANCOUVER, B.C., Oct. 5.—A party of 28 Chicago aldermen, headed by Mr. William Harrah, arrived in the city this morning to inquire into the cost of produce, etc., in Vancouver. They are following the example of another group of Chicago officials who arrived here about a year ago on a similar investigatory mission. The aldermen are making a tour

48. Canadian Importer Lifeboat.
 Shown at Exhibition by Navy
 League, Brings \$98.84

One of the unique displays at the recent exhibition at the exhibition at the 88. Canadian Importer, which had such a thrilling experience recently in the Pacific. This lifeboat was exhibited by the Victoria Branch of the Navy League of Canada at the Home Products Building, and any hour of the afternoon groups of interested visitors might be seen examining the small craft in which the men made their dramatic escape after leaving

HONORED BY CLUB

ON LEAVING OFFICE

Members of Women's Canadian Club Yesterday Paid Tribute to Retiring President, Mrs. Margaret Jenkins

MRS. MARGARET JENKINS

At the annual meeting of the Women's Canadian Club yesterday, the withdrawal from office of Mrs. Margaret Jenkins, the retiring president, was made the occasion for numerous flattering speeches expressive of the members' affection and appreciation of many years of splendid leadership on her part.

Mrs. Spafford and Mrs. Andrews were the first to pay tribute to the past and kindliness, wisdom and foresight of the retiring officer, afterwards Mrs. Pankhurst adding still more eloquent praise, and appealing to the club to retain in some capacity the services of one whose opinion they all esteemed so highly and whose personality they valued so greatly. Mrs. Hyndman, who was subsequently asked to the office of president, asked the veteran leader of the organization if she would not reconsider her decision to retire, but Mrs. Jenkins was adamant in her determination to withdraw from office. However, as according to the constitution the retiring president is an ex-officio member of the executive, the Victoria section of the Women's Canadian Club should still continue to benefit by her wise counsel and long experience with the various activities of the society.

SOCIAL AND PERSONAL

Mrs. Gertrude Jay, of Victoria, is visiting for a few days in Vancouver.

Mrs. and Mrs. John Cornwall, of Vancouver, are spending their honeymoon in this city.

Mrs. Frank Kikine, of Vancouver, is a visitor in the Capital for a few days.

Mrs. L. Brandy, of Winnipeg, is visiting in Vancouver and Victoria for a few days.

His Honor the Lieutenant-Governor is at present in Kelowna, where he opened the Fall Fair.

Mr. and Mrs. E. E. Cameron, of Matsqui, are spending a holiday visiting in this city.

Mrs. A. H. Sovereign, of St. Mark's Rectory, Vancouver, has as her house guest Miss Helen Lumsden, of Victoria.

Mrs. G. H. Rose, of Vancouver, who has been a visitor in this city for the past two weeks, has returned to the mainland.

Miss Sharp, of Esquimalt Road, has returned to the city after spending the past three weeks visiting with relatives in Seattle.

Mr. and Mrs. Fred Janieson, of Vancouver, who have been visiting in this city, have returned to their home in the Terminal City.

Captain and Mrs. Bell, accompanied by their small son, have left Victoria and have taken up their residence in Vancouver at Grace Court.

The Rev. A. E. and Mrs. Stephenson were visitors to Sidney on Monday last, staying the night at the home of Mr. and Mrs. J. T. Taylor, Fifth Street, and returning to their home at Cobble Hill on Tuesday.

The Hon. and Mrs. Burke Roche, of Victoria, who have been spending the past two years abroad, are expected to arrive in Vancouver on Friday, and will later proceed to this city.

Mrs. C. E. Pooley, of Fernhill, who has been visiting for the past week with her daughter and son-in-law, Mr. and Mrs. C. S. Sweeney, is expected to arrive home in the near future from the mainland.

Mr. and Mrs. L. G. Ryan, of Montreal, are expected to arrive in Victoria during the week, and will register at the Empress Hotel. On their return to the West they will stop at at Vancouver and Banff for a few days.

Mrs. Fred Spencer, of 3447 Florence Street, returned home yesterday afternoon after spending a holiday for the past six weeks at Golden, B.C. Spencer Mr. Spencer has been a month or so longer on business.

A few friends surprised Mrs. Harold Roberts Tuesday evening at her home on Pembroke Road, and arranged a bridge party. Among the guests present were Mr. and Mrs. Wilson, Miss McPherson, Miss Latta, and Messrs. Heister, C. Martin, K. Rayner and B. McGeith.

Announcement has been made of an engagement between Miss Elaine Lubbe, daughter of the late Theodore Lubbe, of this city, and Mr. J. D. Stagg, of Peru. Miss Lubbe has recently returned from Manila, where she was stationed at a military hospital, and is at present in San Francisco, where the marriage will take place in the near future. Later they will leave for Peru, where they will make their future home.

FORMER COLONIST

EMPLOYEE MARRIES

Arthur R. Griffiths and Miss Dorothy Christopher Wed Yesterday—Gone to Vancouver to Live

A wedding of considerable local interest took place yesterday morning at 11 o'clock at "Breadalban," the residence of Mr. Griffiths' father, Rev. Dr. Campbell, when Dorothy Christopher, daughter of Mrs. A. Turner, of 1149 Dominion Road, was married to Arthur R. Griffiths, of Vancouver, son of Mr. and Mrs. M. Griffiths, of 1539 Burton Avenue, Victoria.

The bride, who was attended by Miss Devina Annan, of Vancouver, wore her becoming going-away costume of navy blue with white hat to match, and carried a bouquet of Ophelia roses. The best man was Mr. Herbert Pickup, of Victoria. The bride was given in marriage by her stepfather, Mr. Albert Turner, and among the witnesses were Mrs. Turner, the bride's mother, and Mr. and Mrs. Griffiths, the parents of the bridegroom.

Following the ceremony there was a reception and wedding breakfast at the home of the bride, where Mrs. C. Christopher, of Vancouver, assisted in receiving the guests, the newly-wedded couple standing beneath a floral bell while friends extended their congratulations and good wishes. The arrangement of the buffet was very pretty, pale pink and green streamers extending from the ceiling to the corners of the table, the centre of which held the three-tier wedding cake and silver flower holders filled with pink and white sweet peas. The bridegroom, who was for some years in the linotype department of The Colonist, now occupies a similar position on The Vancouver Sun, and Mr. and Mrs. Griffiths left by the afternoon boat for the Terminal City, intending to make their home there in future. The bridegroom's gift to the bride was a pearl brooch, and to the best man a leather pocketbook.

STRAWBERRY VALE INSTITUTE MEETS

Plans for Raising Money for New Hall Are Adopted—Miss Helen Stewart Gives Talks

The Strawberry Vale Women's Institute held a meeting on Tuesday last, with the president in the chair. The routine business was quickly put through and various plans adopted for raising money for the new hall, the site for which has been purchased at the corner of Chandler Avenue, where the present institute rooms are located.

A series of first aid lectures will be given by a Spanish V. O. N. nurse during the coming months when practical instruction will be given.

Dreammaking and vocal instruction classes are to be formed and all those intending to join are asked to kindly send in their names to the following: Mrs. Davidson, Wellington Road, dress-

making: Mrs. Foster, Chandler Road, most helpful and instructive talk was given at Tuesday's meeting by Miss Helen Stewart, City Librarian.

HOME WEDDING WAS SOLEMNIZED TUESDAY

Marriage Between Miss Esther Driver and William Harwood at Home of Bride's Parents

A quiet wedding was solemnized on Tuesday at the home of Mr. and Mrs. R. W. Driver, 1213 Lyall Street, by the Rev. B. Black, when Esther Ruth, youngest daughter of Mr. R. W. Driver, became the bride of William G. Harwood, of Hornby Island.

The bride looked lovely in a white crepe de Chine dress, with which she wore the conventional wedding veil, and carried a shower bouquet of white flowers. Attending the bride were her sister, Miss Edith Driver, who wore a pink organdie dress, and Miss Sarah Thompson, in blue organdie. The bridesmaids' bouquets were of pink and white roses.

When the bride entered the reception room, on the arm of her father, who gave her away in marriage, Miss L. Rowe played the Wedding March, and during the signing of the register

Miss Helen Johnson sang two songs, "At Dawning" and "Ode Where the West Begins," accompanied by Miss L. Rowe. The groom was supported by Mr. Harwood, his best man.

Following the ceremony a reception was held, when the bride's mother, Mrs. Driver, gown in a becoming brown taffeta dress, assisted in receiving the guests. Among those present were Mr. and Mrs. E. Harwood, the brother and sister-in-law of the groom; Mr. and Mrs. Wortlett, Mr. and Mrs. Leeson, Mrs. S. Rowe, the Misses M. and R. Holt, Mrs. Hounes, Mrs. Reynolds and Master Bournes.

Mr. and Mrs. Harwood were the recipients of many handsome and useful gifts. The bride's present to the groom was a pearl tie pin, and the groom's gift to the bride was a piano, to the bridesmaids, rings; and to the groomsmen, a gold mounted fountain pen.

Mr. and Mrs. Harwood left on the midnight boat for a wedding trip to Vancouver, Seattle and Portland, and on their return will make their future home at Hornby Island. The bride's traveling costume was of blue.

Miss C. B. Anderson, of Victoria, who has been staying in Vancouver recently, returned to her home in this city.

FIFTY YEARS AGO TODAY

(From The Daily British Colonist of October 6, 1871.)
 From Nanaimo and Cowichan—The steamer Sir James Douglas arrived at 1:15 o'clock last evening from Nanaimo, bringing the Chief Justice, Mr. Jackson, Lieutenant Diggle, Mr. Black, John Jackson, Captain Gardner, Mrs. May, Miss May and other passengers. Political meetings were held at Maple Bay and Nanaimo, allusion to which is made elsewhere.
 Requisition—Mr. Hainstock was yesterday presented with a requisition, number 10, signed, asking him to stand for the local House in the Esquimalt district. The doctor reserved his decision.
 Wilful Waste Makes World Want—Peter Lupi, an Alaskan, resided before Judge K. D. Sawyer, at San Francisco, concerning the seal skins reported floating in the vicinity of the Alaskan Islands. He swore that the Alaskians last year killed over fifty thousand fur seals; that, being unacquainted with the proper mode of curing them, were obliged to throw half of them into the sea to avoid the stench. The skins were worth \$250,000.

1847 ROGERS BROS. SILVERPLATE

THE GIFTS WERE WONDERFUL

The many articles of silverplate were all chosen in the same pattern—the 1847 Rogers Bros. "Cromwell" for which a preference had been expressed.

This preference is based on a sound belief that no other brand of silverplate gives so much for the money. Measure the good points of "1847 Rogers Bros." in terms of attractiveness, durability, in satisfaction—consider "1847 Rogers Bros." from any angle, and you will understand why it has been "The Family Plate for Seventy-five Years."

Be sure to ask for it by its FULL name, "1847 Rogers Bros."

Leading dealers have "1847 Rogers Bros." on display, or can get it for you.

The foolish man who built his house on the sand

He gave an example in folly which anybody can understand.

"It isn't so easy, however, to sense the mistake of trying to build the body on foods which lack essential nourishment."

Here, again, is a foundation of sand which gives 'way when the test comes.

Many a food that tastes good lacks honesty of nourishment to equal its taste. Thus it tempts the appetite into mistakes that often are costly.

Grape-Nuts is a food which helps build bodily endurance for life's stress and storm. The full nourishment of wheat and malted barley, together with the vital mineral salts so necessary to bone structure and red blood corpuscles, with phosphates for the brain, is retained in Grape-Nuts. The long baking process by which Grape-Nuts is made gives the food a natural sweetness and an unusual ease of digestibility and assimilation.

Served with cream or milk, Grape-Nuts is fully nourishing, and whether eaten as a cereal or breakfast or lunch, or made into a pudding for dinner, Grape-Nuts has a particular delight for the appetite. Sold by grocers.

YOUNG MEN OF CITY ORGANIZE

Young Men's Division of Y.M.C.A. Formed Last Night—Aim Is the Making of Good Citizens

The Young Men's Division of the Young Men's Christian Association came into existence Tuesday evening at a meeting of young men of the city held in the Y.M.C.A. headquarters. After the purposes and plans of the new organization had been explained by Mr. J. B. Corley, chairman of the Young Men's Division committee, Mr. J. M. Graham, General Secretary of the Y.M.C.A., and Mr. Harold Cross, secretary of the Young Men's Division, the meeting divided into two age groups, from 15 to 21, and from 21 to 30. These limits were not enforced strictly, some latitude being allowed. The two sections proceeded to elect officers, as follows:

Section 15 to 21 Years
President: Chris. Perriman.
Secretary: A. M. Maclean.
Chairman Physical Committee: Jack Clark.
Chairman Social Committee: Hugh Jackson.
Chairman Educational Committee: Oswyn Bolton.
Chairman Devotional Committee: Paul Kishin.
Chairman Membership Committee: Esmond Bird.

Section 21 to 30 Years
President: W. C. Hudson.
Vice-president: Garnet Halliday.
Chairman Physical Committee: H. S. Hammell.
Chairman Social Committee: Jack Nield.
Chairman Educational Committee: N. P. Pullen.
Chairman Religious and Service Committee: Fred Bartholomew.
Chairman Membership Committee: Jack Bartholomew.
Secretary-treasurer: Ernest V. Abbott.

The Young Men's Division is to be administered on democratic lines. Each section has its own officers as given above, and these, together, combined with a number of other men, will form a council which will decide matters touching on the Division as a whole. The plan is to divide each section into groups if the membership becomes large enough to make this scheme feasible.

Plans Outlined
Mr. Graham, General Secretary of the Y.M.C.A., told why the Young Men's Division had been formed. The Y.M.C.A. had been organized nearly eighty years ago for young men and had gradually expanded until it had acquired its present day diversity of programs. In recent years emphasis had been laid on boys' work and those for whom it had been founded were rather lost sight of. The Young Men's Division was the result of a decision to swing back to earlier methods.

Mr. J. Corley, chairman of the Young Men's Division Committee, after some introductory remarks, gave to each young man present a circular in which the new organization was briefly explained, as follows:

"The Directors of the Victoria Y.M.C.A. have given serious consideration to the fact that the young men of the city, and even those young men who are members of the Association, have not appreciated the fact that we have a club building with all the equipment and facilities of the expensive exclusive clubs of the various cities, which, because of the excessive cost of membership, can only be used by very wealthy persons.
"Take the famous Automobile Club in London, England, with its splendid building, swimming pool, gymnasium, and a swimming pool that is better than most. We have a reading room, a games room, billiards, also catering facilities, for suppers and banquets, and our staff consists of one of the finest groups of men connected with any club or organization of any kind. Their business is to help boys and men every age to enjoy the fellowship of the best type of club life and show how to make use of these splendid facilities to build better citizenship for ourselves and those about us."

Mr. McConnell went to the front in connection with the Imperial Y.M.C.A. work in 1917, and was joined to the Ulster Division of the British army. He spent the time from June, 1917, to the end of the war in the trenches, experiencing the fierce hardships and struggles of the rank and file during some of the worst fighting in the Somme. His description of the devastation and utter ruin of the areas where he labored with other Young Men's Christian Association workers was vividly realistic.

The lecturer prefaced his talk on his own experiences with a series of slides shown on the screen, showing some of the best cartoons published during the war period, and also some maps of the war zone. He illustrated the section of the war zone where he spent the time he was in France. Referring to the delusions under which the German people lived at the opening of hostilities, he said it was largely the effect of Bernardi's teaching that caused the German national mind to be so deluded into thinking that the final destruction of the world. It was the main objective of the enemy, he said it was well to remember, to crush Britain, and Belgium, France, and the conquest of Russia were only steps by the way. The German leaders had made up their minds that England was decadent and the British Empire only a rope of sand, and that it was only a matter of time before the British people were not what the Sinn Féin have made it appear that they are today.

During the time that the lecturer was stationed at Bapaume, he came in contact with many of the Australian troops, and he relates a very amusing illustration of the wit of the men from the Antipodes. Some German soldiers in their boastfulness, had painted a sign on a shattered wall which read, "We Germans fear God and nobody else." Under this was written, after the Germans had retreated, "Why, then, did you leave Bapaume?" and signed "Anzac."

Touching reference was made to the relief of the British Trenches, and incidents which were thrilling in their pathos kept the interest of the audience keyed to a high pitch. Mr. McConnell was told by one soldier, who at the time had a bit of champagne sticking out of his pocket, that he always prayed before going into battle. The work of the Y.M.C.A. in bringing comfort and food to the men in the firing line, he realized

"In order to bring organization to bear in having our young men realize that these advantages are theirs to utilize for promoting the broadening fellowship of club life within the Young Men's Christian Association the directors have started a special division, which is to be divided into two clubs, one for ages 17 to 21, and the other 21 to 30.

Club Self-Governing
"Each of these clubs will be self-governing, democratic organizations only limited by the general rules and regulations of the Y.M.C.A., and will have for their definite object the promotion of the four-fold development—spiritually, mentally, physically and socially. In other words, helping each other to realize the highest type of citizenship."

"Each club will organize its line of activities as it sees fit to bring about the four-fold development and will subdivide into as many groups as it deems necessary.
"The definite desire of the directors and your committee in particular is that there shall be personal contact with each and every member of the respective clubs and that every fellow will be made to feel that he really and truly belongs to every other fellow in the club. It is to be understood, of course, that each member of the Association, between the ages of 17 and 30 is automatically a member of either one of these Citizenship Clubs and belongs definitely to one of the committees or groups of their respective club.

"As chairman of the Young Men's Division I most earnestly ask your individual active effort in going more than half way to meet the other fellow in establishing this real fellowship in making our new clubs a tremendous force in the development of Christian citizenship in this beautiful city."

Mr. Cross, who is giving half his time as a Y.M.C.A. officer to the boys' work and half to the new Young Men's Division, asked for the support of the young men.
There were about forty young men present at the supper and business section. The 15-to-21 section will hold supper meetings on Thursday nights, and the 21-to-30 section will hold them on Tuesday evenings.

Qwing to the fact that a banquet is being held Tuesday evening to celebrate the hundredth anniversary of the birth of the founder of the Young Men's Christian Association, the meeting of the 21-to-30 section will be held on Wednesday, Tuesday. That of the other section will take place a week from Thursday.

BATTLES OF SOMME VIVIDLY RECALLED

Rev. T. McConnell Says Irish Soldiers Were Among the Most Loyal Who Did Their Part in Great War

That public interest in the stories connected with the Great War is just as keen today as it was when the guns were roaring on Flanders fields, was evidenced Tuesday evening when Rev. T. McConnell, pastor of the St. Columba Presbyterian Church, at Oak Bay, was filled with an attentive audience to hear a lecture, illustrated with lantern slides, given by the pastor of the church, Rev. T. McConnell. The topic of the lecture was "Experiences in France During the War."

Mr. McConnell went to the front in connection with the Imperial Y.M.C.A. work in 1917, and was joined to the Ulster Division of the British army. He spent the time from June, 1917, to the end of the war in the trenches, experiencing the fierce hardships and struggles of the rank and file during some of the worst fighting in the Somme. His description of the devastation and utter ruin of the areas where he labored with other Young Men's Christian Association workers was vividly realistic.

The lecturer prefaced his talk on his own experiences with a series of slides shown on the screen, showing some of the best cartoons published during the war period, and also some maps of the war zone. He illustrated the section of the war zone where he spent the time he was in France. Referring to the delusions under which the German people lived at the opening of hostilities, he said it was largely the effect of Bernardi's teaching that caused the German national mind to be so deluded into thinking that the final destruction of the world. It was the main objective of the enemy, he said it was well to remember, to crush Britain, and Belgium, France, and the conquest of Russia were only steps by the way. The German leaders had made up their minds that England was decadent and the British Empire only a rope of sand, and that it was only a matter of time before the British people were not what the Sinn Féin have made it appear that they are today.

During the time that the lecturer was stationed at Bapaume, he came in contact with many of the Australian troops, and he relates a very amusing illustration of the wit of the men from the Antipodes. Some German soldiers in their boastfulness, had painted a sign on a shattered wall which read, "We Germans fear God and nobody else." Under this was written, after the Germans had retreated, "Why, then, did you leave Bapaume?" and signed "Anzac."

Touching reference was made to the relief of the British Trenches, and incidents which were thrilling in their pathos kept the interest of the audience keyed to a high pitch. Mr. McConnell was told by one soldier, who at the time had a bit of champagne sticking out of his pocket, that he always prayed before going into battle. The work of the Y.M.C.A. in bringing comfort and food to the men in the firing line, he realized

letters to the loved ones at home for those who couldn't do so for themselves, and the sending of last messages and tokens to relatives of men who had been killed, was vividly told. The pictures of devastated towns and shell-marked countryside added reality to the things the speaker described.
Memorable names, such as Albert, Hugh Wood, Courcellette, Neuville and many other famous names recalled the days of the war to many who listened to the speaker, and the old days, when the tales of diabolical ruin and bloody destruction were common in the newspapers, were recalled.
An interesting item on the evening's programme was the singing, by Mr. P. J. Mitchell, of a song called "Mothers of Britain," composed by Rev. Mr. McConnell while he was at the front. The music was written by Lance-Corporal Wilster, a Canadian soldier, Miss May Muir sang "In Flanders fields" with great feeling, and was loudly applauded.

Necessary Taxation
TORONTO, Oct. 5.—Explaining the necessity of a sales tax, Sir Henry Drayton, Minister of Finance, addressing the Bread and Cakes Manufacturers' Association convention yesterday, said Canada was carrying a heavy financial burden as an aftermath of the war, and all had to pay a share, either directly or indirectly.

AUSTRALIA MAY GET TOO MANY IMMIGRANTS

LONDON, Oct. 5.—A Reuter cable from Melbourne says that Premier Hughes' referring to an interview with the Australian emigration agent, cabled from London, who is alleged to have recommended the dispatch of 100,000 emigrants yearly to Australia from the British Isles, says it would be folly to pour such a population into Australia until adequate arrangements have been made for making them wealth producers.
Premier Hughes thinks the figure quoted is absurd. In this view the

Weiler's Show Class In Wednesday Soccer

Good Work on Forward Line Was Chiefly Responsible for Their Four to One Victory Over the Retailers Yesterday—Garrison Proved Too Strong for Kirkham's

Weilers justified the confidence placed in them by their supporters, and showed that they will rapidly round out into a real soccer team when they met the Retail Clerks at Beacon Hill yesterday and defeated them by four goals to one after a good snappy game, which was fast from start to finish. Although perhaps the brand of football shown was not quite of the class which may be expected in mid-season, there was some quite good play seen, especially on the part of the forwards of the winning team. There were a number of experienced players on the line-up of each side, and those who were not so well up in knowledge of the game made up for it in "pep" and enthusiasm. There was certainly no loafing on the part of anyone of the twenty-one players engaged.

The Retailers scored first blood, and a good rush in the first minute or so of the game proved fruitful. Holyoak netting the ball when the opening was made easier by a misunderstanding between the defence men on Weiler's side. For the rest of the first half play was very even, each side making some dangerous attacks without being able to press them through for a score, and hesitation before shooting had something to do with the fact that no further score resulted until near the end of the half, when Dave Stewart caved up for Weilers after an attack, the tactical details of which were not visible from many parts of the field owing to the fog, which was fairly thick during all the first half and part of the second, but which gave way to bright sunshine later.

In the second half the Weiler attack had the slope in its favor, and for the rest of the game, although the Retailers worked hard, the red and whites had far the better of the game. Livingstone, on their outside right, was playing real football, with good control of the ball, and a great deal of his side's success must be credited to this player. He brought a nice centre by Hay that he scored the goal which first put Weilers in the lead, and shortly after he made another beautiful shot which missed by inches.

Good Goalkeeping
Bob Peden in goal for the Retailers, had quite a lot to do, and showed that he had not altogether forgotten the way to do it. He brought off several good saves before another goal was registered, when Tommy Hay beat him with a good shot after some sound work by Livingstone. Knapman was also playing good football, and towards the end of the contest the Retailers were having a difficult time holding their opponents in check. The last goal of the match

and scored a couple more, the game ending in a five to nil victory in the soldiers' favor. Jasper, for the losers, played a fine game in goal, having no chance with any of the shots which scored the goals.

MISS LEITCH TASTES

DEFEAT ON LINKS

Is Beaten on Home Green in Round of Championship—Other British Entrants Continue Successful

DEAL, N.J., Oct. 5.—Play for the United States women's championship on the Hollywood links here today reached its dramatic climax when Miss Cedi Leitch, British, Canadian and French champion, was defeated by Mrs. F. C. Letts, Jr., of Chicago, one up.

Miss Leitch met disaster on the home green, and so unexpected was the denouement that the gallery was silent a moment before it remembered to acclaim their victory. Chances of the championship going to the British delegation are still serious. Miss Leitch, her sister, today displayed the best approaching and putting of the tournament by defeating the clever Miss Mildred Caverly, four and three.

Miss Alexa Sirling, who is defending the title, had no difficulty in defeating the grey-haired veteran, Mrs. Caleb Fox, of Philadelphia, five and four.

Mrs. Latham Hall, who is competing as a representative of mid-Surrey, England, increased respect today by defeating Mrs. Melvin Jones, of Chicago, the Western champion, five and three.

COAST LEAGUERS

PLAY TOMORROW

Seattle Indians and All-Star Aggregation of P.C.L. Give Exhibition Game at Stadium at 2 o'clock

The coming visit of Pacific Coast baseball teams to Victoria is regarded as one of the most important events of the year in local sporting circles, and it will be the first occasion upon which class double A organizations have paraded through the Northwest. The Seattle nine and a poult of talent from all over the Coast circuit will face one another tomorrow afternoon at 2 o'clock sharp, at the Stadium grounds, where a big delegation of local fandom is expected to be on hand.

The tour of the Northwest cities, which commenced on Tuesday at Bellingham, is in the nature of a missionary venture. Magnates in the South are anxious to get a line on baseball movements in the Sound centers in view of the movement on foot to include a couple of more towns in the Coast League. It has also been rumored that the Salt Lake franchise is due for some travelling, and it is expected that the Coast Leaguers will be welcomed by large crowds on this tour so that a favorable impression may be made upon the ball moguls.

"The Iron Duke"
A fine exhibition game is the prediction for Friday afternoon when the two aggregations hook up together. The Seattle Indians have just come through warm races for the league honors, and although unsuccessful, they cleaned up in their last series with the San Francisco team, making the latter lose its hopes of pennant enjoyment. "Iron Duke" Kanworthy, who led the Rainiers during the past season, will be in charge of the team, while Charley Graham is expected to pilot the All-Star outfit.

Pat Anusson, the scrappy light heavyweight who sought for the Vancouver Beavers and finished with the Seals, will do the receiving for the picked nine. A number of big league stars will be seen in action, Art Niehoff holding down the hot corner for the All Stars, Ernie Shore, ex-Yankee, who will do some flinging, and Art Griggs, who will dig up ground balls around the initial mark. The Seattle crew is a snappy bunch and possess the motto "Watch Our Smoke." The Iron Duke is a first-rate manager and improved the team this year wonderfully. Brenton, one of their prize twirlers, went up to Cincinnati last season, and looks good for a berth in higher company before long. Shore and Demaree are known all over the Coast for their pitching ability, and backed by a good all-around team they can be depended upon to give a good account of themselves.

Considerable expense has been incurred in bringing the two clubs to Victoria. Local sportsmen have been generous in making it possible for Coast League ball to be played here tomorrow, and it is hoped that local ball fans will show their appreciation of their efforts by coming out in big numbers to witness the engagement. Arrangements are being made to handle a large crowd, and it is hoped that the Coast Leaguers will be given a fine reception when "Play ball" is heard at 2 p.m. tomorrow.

Following are the teams as they will take the field:
Seattle—Lane, lf; Wisterville, 2b; Murphy, 1b; Eldred, lf; Kanworthy, 3b; Stumpert, ss; Middleton, rf; Tobin, c; Adams, c; Jacobs, p; Brenton, p; Demaree, p; Francis, p; Schorr, p; Dalley, p.
All Stars—Kelly, cf; San Francisco; Schick, lf; San Francisco; Cox, rf; Portland; Griggs, 1b; Los Angeles; Walsh, 2b; San Francisco; Niehoff, 3b; Los Angeles; Hale, ss; Portland; Baker, c; Portland; Anusson, c; San Francisco; Lewis, p; San Francisco; Shore, p; San Francisco; Keefe, p; San Francisco; Tom, p; Portland; Crumpler, p; San Francisco.

NANAIMO SPORT NOTES

NANAIMO, Oct. 5.—Considerable interest in being manifested locally in next Saturday's Up-Island Football League match between Nanaimo City and Ladysmith. The game is to be played on the Croket grounds, commencing at 2 o'clock. The local team will have several new players on the lineup, and a closely contested game is anticipated.

At the conclusion of today's games, which were participated in by a large number of local players, the courts of the Nanaimo Tennis Club were closed for the season.

An interesting game of football will be staged tonight, when the Brookside Rovers meet the Davenport eleven. These two teams have shown some rivalry in the past and are both making headway for the intermediate league. The Davenport team is reported to have one of the Nanaimo new players out for trial. The Rovers will field their strongest team for this trial match.

BARNES AND HAGEN AGAIN WINNERS FROM DUNCAN AND MITCHELL

NEW YORK, Oct. 5.—Jim Barnes, national open golf champion, and Walter Hagen, professional title holder, today defeated Abe Mitchell and George Duncan, British professionals, for the second time in two days. The Americans won three up and one to play, over the course of the Bally Claira Golf and Country Club at Bayside, N.Y.

YOUNGSTERS TO GET SPECIAL ATTENTION

V.I.A.A. Is Planning for Busy Winter Season—Boxing and Basketball Will Be Special Features

Following the conclusion of the most successful outdoor season during the life of the association, the members of the Victoria and Island Athletic Association are now beginning to make plans for a busy winter season at their gymnasium in Victoria West, which will commence on Saturday afternoon. At the present time the club has a membership of nearly 100, half of which number is composed of boys and girls under the age of 18 years, and it is the intention of the club to pay strict attention to the development of these junior members in all branches of indoor sport during the winter months. Supt. Billy Davies, who has been devoting considerable time during the summer months to instructing the junior members of the club in the art of boxing, will resume his classes, which will be held every Wednesday evening in a special boxing room at the gymnasium, which is being fitted up for this purpose. New equipment, consisting of patent spring punching bags, has been ordered from England, which, together with the punching dummies, punching bags and other necessary equipment, will make the boxing room one of the best equipped of its kind on the Coast. Mr. Davies is particularly anxious that the boys of this city should acquire knowledge in the art of self-defence, especially in view of the fact that in most of the Northwestern American schools boxing is now included in the school work.

Chance for the Boys
The small membership fee for juniors in the V.I.A.A. for the winter months includes instruction in boxing, and there is absolutely no reason why any boy in the city cannot now procure this very necessary knowledge. The first class will be held on Wednesday evening, October 13, and all intending pupils will be required to hand in their names to Mr. Davies, at 441 Fort Street, before that date, and receive a boxing card, which will admit them to the classes.

A basketball league for boys is to be arranged, and a series of games will be played every Wednesday in the boxing room, and from 6:30 to 8:30 in the gymnasium, after which the senior male members will use the gymnasium for basketball and other

sports. Friday evening will be set aside as ladies' night; the lady members will specialize in basketball. A house league is being formed, and games will be played from 7 to 8:30, after which the balance of the evening will be spent in dancing. A social committee is being formed, and it is expected that a social evening will be held every two weeks during the winter months. The gymnasium will be utilized by senior members on Saturday afternoons for indoor tennis, volleyball and other indoor games.

DEMPSEY SUED FOR HUNDRED THOUSAND

BATAVIA, N.Y., Oct. 4.—Trial in the action for \$100,000 by Frank Spelman, of this city against Jack Dempsey, heavyweight champion pugilist, and Dempsey's manager, Jack Kearns, was begun in the supreme court here today. Spelman alleges that he is entitled to the \$100,000 as 25 per cent of Dempsey's profits in a motion picture serial.

Spelman described his meeting with Dempsey in Cleveland after Dempsey had won the title from Willard and gave his version of the alleged oral agreement by himself, Dempsey and Kearns.

JOHNNY ROE CHOSEN AS YARROWS SKIPPER

At the meeting held last night of the Yarrows Football Club, Johnny Roe was elected captain of the team, and Jimmy Allan vice-captain. Great enthusiasm was displayed, and the team will be eager for their encounter with the Sons of England on Saturday.

Three Times Champion JAMES IRVING, Oct. 4.—The final for the Patge Shield was played off last week between V.Y. Brown and Mr. Richards. Mr. Brown winning in three straight sets, 6-3, 6-1, 6-2. This is the third time Mr. Brown has won the championship.

"A QUALITY CIGAR"

FREE A 10-Shave Tube of Palmolive Shaving Cream At the Stores listed below

1,000 Men Were Asked

"What is your conception of the ideal shaving cream?"

For many years we have been making the ideal toilet soap. We blended palm and olive oils—the balmy cosmetics of age-old fame. And millions of people have adopted this Palmolive Soap.

Six years ago we started to embody this blend in a shaving cream. And the first step was to ask a thousand men the virtues they wanted in it.

These were their requirements:

First, a quick shave
Nine-tenths of these men wanted quick shaves, above all. They did not like long brushing, finger rubbing, hot towels and delay.

So a cream was made which acts in one minute. Within that time the average beard absorbs 15% of water. And that is enough. This result is due to almost instant oil removal—the oil that coats the beard.

Next, liberal lather
Next, they wanted liberal lather. And they wanted a little of the soap to go far.

So we developed a cream which multiplies itself 250 times in lather. A bit on the brush—only one-half gram—suffices for a shave. A single tube of Palmolive Shaving Cream serves for 152 shaves.

Lather that remains
Then they wanted a lather which maintains itself without drying on the face.

So we perfected a lather which maintains its creamy fullness for ten minutes. That is ample time. This lather does not need replacement.

A soothing soap
They wanted a soothing shaving cream. They wanted a lubricated razor, no irritation, a pleasant after-effect.

The best way ever known to those ends is the blend of palm and olive oils. The lather is a lotion in itself.

130 creams were made
We are experts in soap making. But it took us 18 months to attain this ideal shaving cream. 130 formulas were made up and tested. Then step by step these supracrems were attained, and the best shaving cream in existence.

Now we ask you to test it. Learn in how many ways it excels. It will lead the way to a lifetime of delightful shaves.

Present the coupon for a trial tube.

PALMOLIVE Shaving Cream

The stores named below will supply the Free Tube on this Coupon

W. M. Ivel, Victoria, B.C. Dean & Hiscocks, Victoria, B.C.

Yanks Beat Giants In First of Series

Carl Mays Holds Giants Scoreless—Is Well Backed
Up With Good Stick Work and Baserunning by Team Mates—The Score
Is Three to Nothing

NEW YORK, Oct. 5.—Carl Mays, with one of his masterful exhibitions of box work, pitched the Yanks to a well-earned victory over the Giants in the first game of the 1921 world series at the Polo Grounds today. The blond American League twirler of the underhand delivery, held the National League runless, the final score being: New York Americans, 3; New York Nationals, 0.

It was not without some fine fielding behind Mays, some pretty work with the stick, and clever running on the bases that the Yanks were able to get the jump in the first all-New York series ever played for the world's baseball home. Babe Ruth, king of the long distance clouters, although he did not make any home runs, was in there with a timely hit and some inspiring and heady coaching on the lines. Mike McNally, the Yanks' third baseman, rated as one of their weakest hitters, contributed a double which blossomed into a run, and jumped into a niche in the world series hall of fame by tearing off a new steal of home in the fifth inning for the second run of the game.

The Yank victory was won against determined Giant defense, the sterling feature of which was a well-attested game by Phil Douglas, the National spitball star.

Douglas had the slugging Ruth at his mercy after the fourth inning, striking the Babe out twice, amid roars of approval from the Giant roster. Douglas left the game in the eighth inning, when Elmer Smith, pinch hitter, went to bat for him and flied out to Ruth.

Barnes pitched the ninth inning for the Giants and was eluded for two hits. In the field Ruth played well, getting four of the five outfield putouts. In the third inning he gave his admirers a heart pang when he caught Douglas' high fly and let it bounce out of his hands. He managed to recover the ball, however, before it could fall to the ground. He was cheered every time he came to the plate and every time he caught a fly.

Frych Hits Well
In the Giants' lineup, Frank Frisch, their stellar third baseman, ran true to his peculiar form, getting four of the Nationals' five hits, one of them a triple, and handling brilliantly everything that came his way.

As a whole the Giants played a heady, consistent game, except that the usually reliable Bancroft, at short, was a little unsteady at times, although in no instance to the detriment of his team. Their inability to hit Mays, however, was fatal, together with the usual shoving by the Yanks on the base paths, the latter literally on this occasion beating the Giants at what was supposed to be their own game.

The Play by Innings
First Inning—Yankees: There was some delay while the photographers were being chased off the field. Mayor Ryan tossed out the ball and the game was on.

Miller up. Miller got a single into center. Peckinpaugh sacrificed, Douglas to Kelly. Ruth up. Miller scored on Ruth's hot single to center. Ruth hit the first ball pitched. Muesel hit into a double play, Frisch to Rawlings to Kelly. One run, two hits, no errors.

Second Inning—Giants: Burns up. Peckinpaugh threw out Burns at first. Bancroft up. Ward flied out to first. Frisch up. Frisch singled past Peckinpaugh. Young up. Mays threw out Young at first. Mays threw out Young at first. No runs, one hit, no errors.

Third Inning—Yankees: Pipp up. Rawlings threw out Pipp at first. Ward up. Ward walked on four straight balls. McNally up. Frisch threw out McNally at first. Ward going to second. Schang up. Schang struck out. No runs, no hits, no errors.

Fourth Inning—Giants: Kelly up. Kelly flied to Ruth. Muesel up. Muesel flied out to his brother in right. Rawlings up. Rawlings was hit by a pitched ball. Snyder up. Schang threw out Snyder at first. No runs, no hits, no errors.

Fifth Inning—Yankees: Mays up. Rawlings took a slow hopper and threw him out. Miller up. Bancroft threw out Miller at the initial bag. Peckinpaugh struck out. No runs, no hits, no errors.

Sixth Inning—Giants: Douglas up. Douglas lined out to Ruth, who let the ball fly up in the air before he caught it for the out. Burns up. Peckinpaugh threw out Burns at first. Bancroft up.

was given a big hand. No runs, no hits, no errors.

Seventh Inning—Giants: Smith batted for Douglas. Smith up. Smith flied out to Ruth. Burns up. Peckinpaugh threw out Burns at first. Bancroft up. Bancroft sent a high fly to Ruth. No runs, no hits, no errors.

Eighth Inning—Yankees: Barnes went into the box for the Giants. Muesel up. Muesel popped to Rawlings. Pipp up. Kelly took Pipp's grounder and touched first. Ward up. Ward pushed a single into right field. McNally up. The Yankees were trying the hit and run play. On the hit and run play McNally singled into left. Ward going to third. Schang up. McNally stole second. Schang fanned. No runs, two hits, no errors.

Ninth Inning—Giants: Frisch singled into right, this being his fourth hit. Young up. Young forced Frisch. Ward to Peckinpaugh. Kelly up. Kelly hit into a double play, Frisch to Ward to Pipp. No runs, one hit, no errors.

Final Score—

Summary

Two-base hits, McNally; three-base hits, Frisch; struck out, Frisch, McNally; sacrifices, Peckinpaugh, Pipp; Young, Schang; double plays, Frisch, Rawlings and Kelly; Peckinpaugh, Ward and Pipp; left on bases, American League; National League, 5; bases on balls, off Douglas, 4; hit off Douglas, 5 in 6 innings; Barnes, 3 in 1. Hit by pitcher, Rawlings by Mays; struck out, by Mays, 1; by Douglas, 4; by Barnes, 1; sacrifice, Snyder; unplaced, at plate, Rigler; first base, Moriarty; second base, Quigley; third base, Chille; time, 1:38.

THE SQUARED CIRCLE

LOS ANGELES, Oct. 5.—Jimmy Dundas and Bobby Ertle, both of Oakland, went to a draw in the first four-round main event at the Vernon Arena here last night. The men are 155-pounders.

Young George, of Los Angeles, scored a technical knockout over Ray Neal, of San Francisco, in the semi-windup, the referee stopping the event in the second round.

Roy Sutherland, of Portland, won the decision over Jack Brooks, of Los Angeles, in the third bout on the programme.

SEATTLE, Oct. 4.—Salinas Jack Robinson, of California, was given a draw with Travie Davis, Seattle, coast welterweight claimant, in their four-round bout here last night. Robinson was effective at infighting, but Davis was superior at long range.

Johnny Jordan, Anacortes, Wash., lightweight, won a decision over Roy Gibbs, of Los Angeles.

SEATTLE BALL CLUB OFFICERS SELL OUT

SEATTLE, Oct. 5.—William H. Klepper, for the last two years president of the Seattle club in the Pacific Coast Baseball League; Secretary-Treasurer James R. Brewster and Director George H. Henshaw have sold their stock in the corporation to James P. Boldt, and have resigned their positions, effective October 18.

Mr. Boldt, already a large stockholder in the club, will be elected president at the October 18 meeting of the stockholders and will conduct the future affairs of the organization, according to the announcement.

All interested in the S.O.E. Second Division football team are asked to attend a meeting to be held at the Veterans of France headquarters this evening at 7:30. All intending players are especially invited.

KIRKWOOD AND EAST LOSE AT VANCOUVER

Black and Huish Defeat Australian Crack Golfers by Large Margin in Exhibition Foursome

VANCOUVER, Oct. 5.—Phenomenal putting by the local professionals resulted in the defeat of Joe Kirkwood and Victor East, Australians, at the hands of Dave Black and J. Huish, of Vancouver, who finished into a double play, and a six to go, in an exhibition game at Burquitlam today.

Black's play was especially brilliant. He ran down half a dozen putts before he holed his first. He also holed out a couple of long ones. Huish was also strong on putting and held up his end of the game. The Australians had difficulty in getting the feel of the greens and had hard luck with a number of good shots which rimmed the cup. Kirkwood's exhibition was applauded by a large gallery. His programme was practically similar to that given at Colwood last Sunday.

The Australians sail for home on Friday.

LAFAYETTE MADE NOTABLE RECORD

Headed League Averages in Batting and Base Running—Victoria Men Lead in Homers and Triples

"Froggie" Lafayette, the Yakima outfielder, who finished the baseball season with the Seattle Coast League, was the whole show in the Pacific International League this year in the clubbing department. Official averages compiled by Stubb Nelson, the league's statistician, record that Lafayette led the league in batting, finishing with a batting average of .428. Besides doing this, the Yakima big boy led the players in runs, total bases, two-baggers and in walking.

Two Victoria men figured in the final honors, Handley cracking out 15 homers during the season, while 14 triples were made by "Toots" Bankhead, Conley, of Yakima, and young Hobbs, of Tacoma, walked off with the leading twirling laurels, both youngsters possessing a splendid record in the clubbing department. Official averages compiled by Stubb Nelson, the league's statistician, record that Lafayette led the league in batting, finishing with a batting average of .428. Besides doing this, the Yakima big boy led the players in runs, total bases, two-baggers and in walking.

FOOTBALL MEETINGS

An important meeting of the Metropolitan Second Division Football Club will be held at the club rooms tonight, at 7:30. All players are requested to attend.

The C.P.R. Football Club will hold a meeting in Dr. Grant's office, Permanent Loan Building this evening at 8 o'clock. It is necessary that everyone interested in the welfare of the club should be on hand, particularly all intending players, as the team to sport the colors in the first league game will be chosen.

Registration forms are now ready, and these must be signed by the players at the meeting tonight, as tomorrow will be too late for Saturday's game. The game will be played at Central Park on Saturday, kick-off at 3 o'clock prompt.

Football executive committee members are requested to be at Dr. Grant's office at 7:30 tonight, to deal with some urgent business before the general meeting convenes.

SEATTLE WINS FROM COAST ALL-STARS

VANCOUVER, Oct. 5.—An exhibition game between two teams of players of the Coast Baseball League here today, resulted in a "Seattle vs. The Rest" alignment, and the victory went to the Seattle players. The score:

Seattle..... 13 1
Coast League (All Stars) 3 10 3

Batteries—Brennon and Adams, Tobin; Shore and Baker.

STECHER GETS VERDICT

SAN FRANCISCO, Oct. 4.—Joe Stecher won a referee's decision over Ed "Strangler" Lewis after two hours' wrestling without a fall here tonight. Both contestants were former world's heavyweight wrestling champions.

Kerry Douglass Grover

CHICAGO, Oct. 5.—Dixie Kerr was a better pitcher than Grover Alexander today, and the Chicago Americans shut out the Chicago Nationals 3 to 0, in the first game of the series to decide the city championship. It was the first meeting of the two clubs since 1915.

ELK SWIMMERS MAKE MERRY AT DANCING

Two Hundred Members and Friends of Swimming Club Take Part in Social Gathering

Over 200 persons attended the Elk's Amateur Swimming Club's dance, which was held last night in the Elks' Hall, Weller Building. The function, which was the first social affair of the season, was in every way a great success, and was a striking tribute to the committee who worked so energetically to guarantee the success of the evening.

Promptly at 9 o'clock Osgood's orchestra struck a popular dancing number, and from then on until 1 o'clock the happy throng danced to an attractive programme of music, all items of which were heartily enjoyed. A delicious supper was served at 11 o'clock.

The following committee of the organization conducted the arrangements in a most satisfactory manner: Mr. E. B. Stock, chairman; Mrs. F. Spencer, Misses G. Woods, D. Greaves, E. De Bole, F. Ross, J. Rutledge, N. Warburton, and Messrs. J. Woods, C. Ross, M. Roberts, C. Turner, W. White, J. Stewart and F. Dillabough.

THREE-CUSHION BILLIARDS

PITTSBURGH, Oct. 4.—Tim Denton, of Kansas City, won his first match in the national three-cushion billiard championship today, defeating Bob Canfax, former champion of New York, 50 to 43 in fifty-six innings. Denton's high run was five, while that of Canfax was six.

Charles Otis, of New York, defeated Hugh West, of Toledo, 50 to 46 in seventy-eight innings. High runs for Otis were five, Neal three.

CITY WILL DISPOSE OF REVERTED LANDS

Special Committee Meets Today to Prepare Plans for Private Sale and Auction of Non-Productive Property

To discuss the whole question of reverted lands, their effect on present and future taxation, and various methods of disposing of them, on terms most favorable to the city, will be discussed this afternoon at a special committee of the Reverted Lands Committee, Chairman A. E. Todd announced yesterday.

"The accumulation of land by the city presents one of the most serious municipal problems we have to contend with," stated Ald. Todd. "The result of the recent tax sales has been to load the city with a steadily increasing volume of land which is absolutely unproductive and on which no taxes are being paid."

Ald. Todd stated that the committee would probably recommend the City Council to authorize an auction sale of reverted property in the near future.

"There appears to be no alternative to an auction," said Ald. Todd. "There is no use in holding a lot of the land for a higher price. We might as well get rid of it now, reserving some pieces which might be of use to the city for public purposes later on. An auction sale appears to be the only business-like avenue open for the disposal of this land."

The city is now coming into possession of a lot of the land which nominally reverted to the city at last year's sale, and which was not redeemed within the twelve-month period allowed. The last day for redemption is Tuesday, October 11.

To Revise Prices
"A new series of meetings will have to be held by the committee," said Ald. Todd. "The existing price list has to be revised, and some reductions and a few increases will be made, and we will also have to make provision for the new lots coming into our possession."

Thirty-eight parcels of land were disposed of at the sale yesterday at which property in arrears of payments on the ten-year instalment plan was offered. The amount received for this was \$10,155.75. Demand was said to be better than at the sales of land earlier in the week delinquent in general taxes. One hundred and eighty lots reverted to the city yesterday. So far at the present sale, the city has sold 132 parcels for \$31,051. More than 550 parcels have reverted to the city, and there are still 250 parcels to be offered this morning.

Districts covered yesterday were city lots, Reekley Farm, James Bay and Fairfield, Fernwood, Victoria West, and Section 4, Hillside, will be dealt with today. "Left-overs" will be finally cleared up Friday morning.

Will Open Tenders on Importer Tomorrow

Fast Work With Specifications and Bids—Vessel's Hull Pronounced Sound Yesterday—Survey Now Carried to Valves and Pipe, Connections—Will Soon Solve Mystery

Following drydocking and survey of the steamer Canadian Importer yesterday at Esquimalt, specifications were prepared and ship repair firms invited to submit tenders for making the vessel ready for sea. The engine-room will require considerable attention before the ship again puts out from port. The tenders will be opened on Friday afternoon, when Captain W. B. Finglass, marine superintendent of the C.G.M.M., at Vancouver, who returned to the Mainland yesterday, comes back to this city.

It was with the tug Mystery appropriately leading her in that the Importer reached the drydock the previous evening. Yesterday at noon the "mystery ship," with the cause of her mishap at sea practically the same puzzle it has been for the past six weeks, was floated out again.

Sound and Scowery
Survey disclosed nothing tending to solve the problem beyond what could be gained from the establishing of perfect faith in the vessel's sea-going quality. The hull was found to be as sound as on the day of her launching, with not a loose plate nor a faulty rivet; there was absolutely no sign of any leak, although the tanks were still full of water; and the sea valves, when tested, were ascertained to be in perfect working order. The surveyors pronounced the Importer to be perfectly sound and seaworthy.

Probe Into Engine-Room
They are confident, however, that the exact mechanical cause of the leak that nearly resulted in the loss of the vessel will not remain long in doubt. The ship is being given a thorough cleaning to permit of an exhaustive inspection of her interior. All the valves in the engine-room are to be opened up and gone over, and the pipe connections "dressed." This is quite a job in itself and will take considerable time, so that it may be some days yet before its result is known. The inspectors have no doubt that when it is completed the cause of the flooding of the ship will definitely be known.

Bulkheads Are Sound
Inasmuch as the hull of the vessel is intact there can be no doubt that it was through the sea valves that the sea gained entrance. It also seems reasonable that it entered the engine-room first. How it passed from there to the hold, or vice versa, whichever it was in actual fact, bids fair to become a minor mystery. It was thought when the vessel reached here in tow that the water had burst the bulkheads between No. 2 hold and the engine-room. The bulkheads, however, are intact as far as is known. Inspection has so far found

END OF VOYAGE IS AGAIN IN DISPUTE

Steward of Canadian Observer Sues C.G.M.M. for Wages and Fare to Home in Montreal

VANCOUVER, Oct. 5.—Whether a steamer completes her voyage on arrival at her destination or whether the trip is terminated only on return to the home port will be again questioned in the court of appeals here. H. Davidson, steward on the steamship Canadian Observer, is suing the Government Merchant Marine for wrong dismissal and wages which would have been paid during the trip from Vancouver to Montreal and for his railway fare from Vancouver to Montreal.

The case hinges upon the fact that T. Cronie and A. Miller, able-bodied seamen were charged with deserting the ship at Vancouver prior to her return to Montreal. Davidson's claim is that the charge of desertion could not have been made if the voyage were completed at Vancouver.

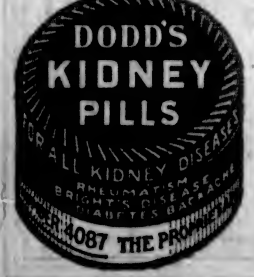

The observer went to the rescue of the Importer when she was in distress recently. It was after the observer had left the disabled Importer, and returned to Vancouver that Davidson was dismissed.

ITALIAN STEAMER APPEALS FOR HELP

NEW YORK, Oct. 5.—Helpless as the result of a broken steering gear and a propeller, the Italian steamer Biros, from Naples to Norfolk, Va., today sent out wireless calls for aid. Her position was given as approximately 100 miles east of Cape Hatteras.

SHIPPING INFORMATION

Wireless Report

no signs of their having given way. Furthermore, when the engine-room had been pumped dry when the ship lay at Ogden Point, the hold still held thirteen and a half feet of water. None, however, could get through into the engine-room. The watertight doors were closed, as it was maintained, there had been throughout the whole time that the vessel was taking water at sea. This is another point that the inspectors are desirous of clearing up during the stringent survey that the interior of the Importer is about to get.

Search of Explanation
The result of yesterday's survey was what had been looked for and nothing else. The vessel had ceased to leak when moored at Ogden Point, and there was small expectation that any defect would be found when she entered drydock. There is almost the same wide scope for explanation of the occurrence now as heretofore. The surveyors who had the ship under examination have no theories to offer, however, as to the cause of the filling of the vessel. Whatever their private opinions, which may have passed beyond the theory stage into that of conviction, they are taking no chances on being mistaken.

Shipping experts were numerous in the neighborhood of the dock when the Importer was on the blocks. Mr. J. Coughlan, head of the Coughlan firm, builders of the vessel, was on hand, and very pleased at the satisfactory outcome of the surveyors' verdict as to the stout qualities of the ship. Capt. A. B. Finglass, marine superintendent, and Mr. Loudon, engineer superintendent, for the C. G. M. M., at Vancouver; Capt. Gardner Johnson, Lloyd's agent for British Columbia; Mr. Edwards, Lloyd's surveyor for British Columbia; and Mr. Blackett, Lloyd's surveyor at San Francisco, were also there.

The time used in Pacific Standard, as the 12th Meridian west, is counted from 0 to 24 hours from midnight to midnight. The figure for height shown in the table is the height of water from low water. Where blacked over in the table, the tide time or tide period without turning.
The height is in feet and inches of a foot, above the average level of lower low water.
Esquimalt—To find the depth of water on the sill of the Drydock, add 14.5 to the height of High Water as above given.

RUPERT LAUNCHING SECOND SHIP TODAY

Canadian Britisher Will Slip Off Ways in North This Afternoon—Canadian Scottish Sails Saturday

The launching of the C.G.M.M. steamer Canadian Britisher is set for this afternoon from the Wallace yards at Prince Rupert. When she slips into the water she will be fairly complete, much more so than the Canadian Scottish, which is expected to be installed and some minor fittings completed. The Britisher should be finished soon after the end of the month. The ceremonies attendant on the launching of the Scottish are being omitted in this case.

Ten carloads of automobiles, manufactured in Detroit, have been booked for outward shipment by the Canadian Scottish, which is expected to clear on her maiden voyage this Saturday. The new freighter is destined for New Zealand and Australia.

The Scottish also has about 3,700,000 feet of lumber, manufactured goods, machinery, etc., in her hold. Formerly chief officer of the Canadian Prospector, and is making his first trip on this occasion as master of a C.G.M.M. vessel.

The Canadian Prospector from the Orient, the Skirmisher from Australia and the Inventor from South Africa, are all expected in November. The Inventor is reported to have sailed from Durban on Saturday last for Delagoa Bay. The Canadian Winner has gone to Chemainus from Genoa Bay to complete for the Orient. The Observer is completing overhaul at the B.C. Marine, Vancouver, and is resuming service in the coastal trade shortly.

ISLAND PRINCESS COMING OFF ROUTE

Otter Will Be Operated to Gulf Islands During the Coming Months—Winter Schedule in Effect on October 17

On October 17 the steamer Island Princess will be withdrawn from the Victoria and Gulf Islands service by the Canadian Pacific Railway Company. The Otter, which has been laid up at the company's wharf here for some time, will take over the route on that date and will maintain the schedule for an indefinite period.

The first trip of the Otter will mark the beginning of the winter service to the islands. The freight service will be operated from Victoria as usual, but passengers will be booked to Island points via the B.C. Interurban to the Deep Cove terminus, taking the steamer at that point.

Workmen are now engaged on the Otter fitting her up for operation of this run. The company also has gangs of men at work on the Charmer and the Princess Mary at the Belleville docks.

Shipping Board Head Speaks
NEW YORK, Oct. 5.—Until America as a whole awakens to the fact that national economic stability is dependent upon the establishment of a national merchant marine, there never can be an American merchant marine, Chairman Lusk, of the Shipping Board declared today in an address before the Associated Advertising Clubs of the World.

Reviewing the work of the present board during its existence of sixteen weeks, he asked the "patience and indulgence of the country," declaring that if those were not given, "America's economic life on the seas, for the next generation, is dark indeed."

I'm So Tired

Fatigue is the result of poisons in the blood. So when the kidneys fail to purify the blood one of the first indications is unusual and persistent tired feelings and pains in the back.

Neglected kidneys trouble lead to years of suffering from rheumatism or develop into such fatal ailments as Bright's disease.

The kidney action is promptly corrected by use of Dr. Chase's Kidney-Liver Pills—the best known regulator of kidneys, liver and bowels.

Mrs. John Ireland, R.R. No. 2, King, Ont., writes:

"I was a great sufferer from severe headaches and bilious spells. I tried a number of remedies without obtaining any benefit until I was advised by me Dr. Chase's Kidney-Liver Pills. These completely relieved me and made me feel like a new person. I am very grateful to Dr. Chase's medicines for what they have done for me, and you may use my letter for the benefit of others."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, all dealers or Edmondson, Bates & Co., Ltd., Toronto.

PRINCESS ADELAIDE ALSO TO BURN OIL

The Princess Adelaide, of the Canadian Pacific coast service fleet, is also to be converted into an oil-burning vessel. When the work on the Princess Mary, now undergoing the change from coal to oil, has been completed the workmen will get busy on the Adelaide. This will probably be in about one month's time. The company, it is understood, has no intention of converting the Charmer to the use of oil. The Adelaide, the Mary and the Charmer were all converted into coal-burning vessels last Spring, when there was a shortage of oil fuel.

HAWAII MARU WILL REACH PORT TODAY

Japanese Ship Is Due, But May Have Gauled of Fog to Run Yet—Passengers for Victoria

With passengers, mails and cargo for this port, the Omaka Kaseo Kaseo steamship, the Hawaii Maru is due at quarantine today. The vessel reported yesterday that she might make the station by the morning, but it is more probable that it will be in the morning before she rounds the Race and early afternoon before she comes in to the wharf. If the fog of the past few days is again in evidence this morning, it is unlikely that she will be able to work her way in to port at all today.

The Hawaii has ten steerage passengers for Victoria, some 26 bags of mail, and some small consignments of Oriental freight. Her passenger list is not heavy, the balance of the list, routed for Seattle, being comprised of only thirteen cabin travelers and twenty-eight steerage. She has a big cargo for United States ports, however.

The Hawaii Maru sails outward again from here October 25, after loading on the Mainland.

The N. Y. K. liner Fushimi Maru is posted to clear outward to Oriental ports tomorrow.

The freighter Toyohashi Maru, which has been here for repairs during the past few days, got away to sea again yesterday morning. She is bound for London with salmon from Siberia.

SHIPS AS CADET ON TRANSPORTER

Harry Murray, of Brentwood, is shipping aboard the C. G. M. steamer Canadian Transporter.

The vessel was launched from the Coughlan yard, Vancouver, recently, and is sailing in November on her maiden voyage to New Zealand and Australia.

DUTCH FREIGHTER HAS LIQUOR FOR VICTORIA

Six Hundred Cases Will Be Unloaded at This Port From Noorderijk—Vessel May Dock Today

Six hundred cases of whisky from London for Victoria are aboard the Holland-America Line freighter Noorderijk, which left Portland yesterday morning for British Columbia ports. The Dutch ship will probably come in here today en route to Vancouver.

Alarm clocks from Germany, gin from Holland and glassware from Belgium are among the freight load on the Noorderijk. The ship was scheduled to arrive last Sunday, but the call at Portland delayed her in getting up coast. The vessel's cargo includes nearly 300 tons of wire rope, a quantity of ship's paint from Rotterdam; about 200 barrels of American whisky from London; and a shipment to Tia Jgana, Mexico; 2,000 cases of whisky from London for Vancouver; 600 cases for Victoria, about 10 cases of wine, 100 cases of gin and 300 cases of Belgian plate glass. There are five cases of alarm clocks from Hamburg. Most of this goes off at Vancouver.

ARIZONAN GOES INTO BASIN THIS MORNING

Dock Will Probably Not Be Dry Until Late in Afternoon—May Not Be Time to Survey Ship

The American freighter Arizonan will be drydocked today, and the extent of the damage sustained by striking on San Juan Island Tuesday morning ascertained.

Arrangements have been made to dock the Arizonan at the Esquimalt dock at 10 o'clock this morning. It will be late in the afternoon before she is dry, and it may be impossible to make more than a cursory estimate of the ship's injuries today. Even if she is docked without a hitch it will be 4 o'clock before the basin will have been cleared of water entirely.

Should any delay occur, the survey of the vessel's bottom will probably be left until morning.

The Arizonan is going to be a tight fit in the dock. To accommodate her the gates will have to be shifted out to the extreme end of the basin. Even then there will be little room left inside. The ship is of 3,123 tons gross register, is 470 feet long, 57 feet beam and has 31.5 feet depth of hold.

The Arizonan was alongside the American freighter all day yesterday, her big pumps keeping the water under control. The vessel is now down very little astern owing to the action of the pumps.

TROUSERED LADIES MARVEL AT AMERICA

High-Caste Chinese Arriving From Orient Astounded at Bathing Suits and Cheek by Jowl Dancing

SEATTLE, Oct. 4.—High-caste Chinese ladies, who wear trousers with a grace developed by consistent practice of an ancient custom, regard the one-piece bathing suit and cheek by jowl dancing to jazz music with great disapproval. There are advanced women in China, suffragists, publicists, lecturers, even a woman pastor or two among the Christian mission, but Mrs. See Tang Tai, wife of a Cantonese mandarin, now on her first visit to America, asserts that the women of her country will not be sufficiently advanced a thousand years from now to accept or countenance these strictly western things.

Mrs. See, whose tiny, unbound feet peeped from the nether openings of richly decorated pantaloons, was one of half a dozen wealthy Chinese ladies, similarly attired, who departed on the arrival here recently of the Admiral liner Silver State. The ship, one of the \$3,000,000 allocated Shipping Board liners in service between Puget Sound and the Orient, is equipped with a comfortable swimming tank, which comes daily into requisition in the warmer Oriental climes, and it was watching a group of young American tourists disport themselves in form-revealing garments that she and her sister representatives of an ultra-conservative civilization first observed a feminine custom now common at least on the beaches of the Pacific Coast.

In the ship's social hall, the first night out from Shanghai, they also came in contact for the first time with jazz as demonstrated by a highly efficient group of young musicians recruited from the orchestra from a University of Washington glee club.

Neither experience evoked the slightest sign of favor. In fact, the Chinese ladies declined thereafter to grace the bathing hour aboard ship with their presence, and though they did attend the musical programmes each evening, it was not because they approved either jazz or the dance attitudes so popular in America. They frankly preferred the shrieks and wails produced by Chinese concert instruments and regarded dancing without enthusiasm.

But, on the other hand, a number of homesick Americans who came home on the Silver State after years in the Orient, declared the jazz music was the pleasantest sound they had heard since leaving the United States. They said that at each Oriental port of call resident Americans and Britishers "went crazy over jazz" to such an extent that they insisted on having balls aboard ship, after which they put in orders for enough syncopated records to supply virtually all the phonographs in the foreign colonies throughout China.

Now Playing at the Dominion

Wallace Reid and Gloria Swanson in "The Affairs of Anatol" at the Dominion This Week.

What's at the Playhouses?

"AS WE ARE" A BIG

OPENING SUCCESS

Mildred Page Players Please

Large Audience With Clever

Acting and Vaudeville at

Princess Theatre

A large first night audience greeted the Mildred Page Players on their

production of "As We Are" last

night in the Princess Theatre. There

is novelty and pep in the whole

entertainment, and not a slow minute

from the time the curtain rises to

the concluding number of singing,

dancing and travesty by Miss Dooley

and Mr. Jaxon. "As We Are" is a

vaudeville show with a plot running

through the whole charming enter-

tainment, and the players appear in

roles that present them as they really

are. There is a freedom about the

numbers that gives added attraction.

The farce comedy, "A League of

Nations," early in the programme, is

especially brilliant, and the acting of

Mimes Moore and Deane with that

of Mr. Leland and Mr. Jaxon is to be

highly commended. The audience is

kept in a state of screaming merriment

from beginning to the end of this

number.

"The Crackman," a tense little

playlet, delighted the audience

and proved to be what it was advertised

as, "a real thriller." There is

not an undramatic second in the short

play, which is all too soon over, but

while it lasts grips the audience with

its vivid portrayal of a burglar's

tragedy. Messrs. Alden, Leland and

Elton show skill in their art in the

way they present this tragedy. The

rest of the whole show, however,

is the vaudeville classic entitled

"Baked Beans," in which the audience

is treated to a piece of natural acting

by Miss Mildred Page and her two

gentleman supporters which is de-

serving of the highest commendation.

The whole show is particularly clever,

and the actors, acts numbers are

never dull, but always laughable and

fresh. The show will continue

throughout the rest of the week, with

a matinee on Saturday.

VARIETY Charlie Chaplin, the

THEATRE most famous screen

comedian, probably never

heard this, but the audience

never it in an entirely unexpected

way by a series of the most comical

scenes he ever put into a picture in

the things he does in raising his foster

son in "The Kid." First National's six

reels of joy, which will be the attraction

at the Variety Theatre again to-

day.

CAPITOL "The Road to Ambition,"

THEATRE the new Selznick picture

starring Conway Tearle, is

at the Capitol Theatre at 10:15, in

tended to light the flame of hope in

the breasts of the ambitious. It is a

picture of the rise of a laborer to

great heights in the world of finance

and high society. Director William

P. S. Earle deserves great credit for

the fine way in which he has handled

remarkably successful year. The de-

tails were discussed at a meeting of

the executive held this week, when

the sum of \$15 was voted to the Vic-

toria Symphony Orchestra, which was

launched under the auspices of the

club about a fortnight ago. The club

has also donated the sum of \$25 for

the forthcoming Jubilee Hospital

"benefit ball."

Australia has \$7,000,000 sheep.

Dyed Her Wrap,

Skirt, Sweater,

and Draperies

Every "Diamond Dyed" package tells

how to dye or tint any worn, faded

garment or drapery a new rich color that

will not stretch, spot, fade or run. Per-

fect home dyeing is guaranteed with

Diamond Dye even if you have never

died before. Just tell your druggist

whether the material you wish to dye

is wool or silk, or whether it is linen,

cotton, or mixed goods. For fifty-one

years millions of women have been using

"Diamond Dye" to add years of wear

to their old, shabby waists, skirts,

dresses, coats, sweaters, stockings, dra-

peries, hangings, everything!

COMING

SHE signed away five years of her life in return for fame on the stage. And before her time was up—went tumbling into love! What then? A vivid "inside" tale of the life of the theatre. With the beautiful star in the gayest, most enjoyable role of her whole career.

SAANICH FAIR DRAWS CROWDS

Continued from Page 1.

The judge of the bottled fruit, vegetables, scones and pickles, Mrs. M. B. Hutchins, of Vancouver, opened the containers in order to taste the contents, an operation said to be unique in the history of the exhibition and a move which, it is said, may deter housekeepers from placing such exhibits in the fair in future.

Judging Completed
The exhibition concluded last night. The judging, which was commenced on Tuesday, was completed yesterday.

The exhibit of the Dominion Experimental Farm was probably the outstanding feature of the fair. The plants shown were exceptional in quality and size, some of the species exhibited being: Pittsinger Duchsne, Beurre d'Estimote, Marguerite Marillat and Doyenne de Melrose. Figs and hazel nuts grown on the farm were an unusual portion of the exhibit, which attracted much attention. The arrangement and decoration of the Experimental Farm display was particularly noteworthy. The fruit was arranged on a shelf and the background right up to the gallery formed of a series of all shades, sunflowers, varied asparagus and ornamental grasses. In the centre of the background was a large dark green shield with small gilt vases filled with red and orange celosia. A placard invited all those desiring information to call personally at the farm or to communicate by mail.

The poultry colony housed in the farm exhibit were much admired. There was a larger exhibit of poultry than usual, and the exhibit entries were numerous.

Twenty-one Jersey and seven head of Holsteins composed the exhibit of cattle. The showing of horses was poor, in spite of the good prices offered. Mr. A. P. Jeune won the seed exhibit with a display of forty-eight varieties in addition to French Winter onions, shallots and Sutton's Reliance potatoes. Mr. Jeune also entered a large and excellent display of vegetables, winning the Talmie Cup, which is competed for annually. His asparagus took the first prize, being very large.

While not large, the showing of needlework was good. The work by the girls, including candies, cakes and other good things to eat, showed much home training.

One side of the gallery was taken up by the exhibition of children's work. The plasticine modelling drew admiring comment. Pressed flowers and paintings showed careful work.

Children's Sports
The winners in the children's sports were as follows:

Fifty yards, boys under 7—First, Walter Pearce, Talmie; second, Gordon Kempie, Strawberry Vale.

Fifty yards, girls under 7—First, Marjory Montgomery, Cedar Hill; second, Marion Thompson, Tillamook.

Fifty yards, boys under 9—First, William Harvey, Sidney; second, James Todd, Talmie.

Fifty yards, girls under 9—First, Ida Knowles, Strawberry Vale; second, Martha Foster, Cedar Hill.

Seventy-five yards, boys under 13—First, Tom Wylie, Sidney; second, Dennis Carter, Cedar Hill.

Seventy-five yards, girls under 13—First, Alma Garton, North Saanich; second, Ruby Sparks, Cloverdale.

Four hundred yards, boys under 15—First, Reese Davis, Sidney; second, Cyril Commerton, Cloverdale.

Seventy-five yards, girls under 15—First, Dorothy Thomas, Craigflower; second, Jean Brogan, Talmie.

Relay race, three to team, boys under 15, 400 yards—First, Reese Davis, Victor Pohl and Fred Clanton, Sidney; second, Theo. Morley, Charlie Morris and Arthur Warren, Craigflower.

Fifty yards skipping race, girls under 14—First, Muriel Woods, Cedar Hill; second, Edith Ricketts, North Saanich.

Fifty yards three-legged race, boys under 10—First, William Harvey, Sidney; and David Mowat, Tillamook; second, Dickson Holloway and Maurice Kersey, Keating.

Three-legged race, girls under 10—First, Jean Murray and Dorothy Cummins, Strawberry Vale; second, Ida Knowles and Edith Cummins, Strawberry Vale.

Obstacle race, boys—First, Frank Coverdale, Talmie; second, Ralph Mitchell, Keating.

Relay race, girls, three in team, 300

DANDERINE

PROTEST INHUMAN S.C.R. TREATMENT

Victoria G.W.V.A. Asks for Investigation of Medical Department—Urges Continuance of Two-Men Cars Here

The Victoria Branch of the Great War Veterans' Association unanimously passed a resolution on Tuesday night, requesting the Dominion Government to investigate the medical department of the Soldiers' Civil Re-establishment in British Columbia. Grave charges were made concerning the "inhuman treatment of disabled Victoria men sent to the S.C.R. doctors in Vancouver for examination."

The organization went on record as endorsing the action of the Amalgamated Association of Street and Electric Railway Employees in fighting the proposed intention of the British Columbia Electric Railway to operate one-man cars in Victoria as being dangerous to life and reducing the employment of a large number of their employees, seventy-five per cent of whom, it was claimed, are returned men.

The meeting declared its profound opposition to the move of the Provincial Command in their endeavor to influence the different G.W.V.A. branches in the Province to disapprove of the principle of amalgamation of all ex-service organizations, and urged through the Vancouver branch that all delegates to the Dominion Convention in Port Arthur, on October 17, be asked to continue in their fight for amalgamation at the forthcoming conference.

Association Unanimous
The opinion of the organization was expressed in the following resolution, which was sponsored by Comrades H. A. Bowden and W. G. Stone, and passed unanimously:

"Whereas the Victoria Branch of the G.W.V.A. has gone on record as being in favor of an amalgamation of all ex-service organizations throughout Canada, and has pledged itself to work in conjunction with other ex-service organizations to bring about a speedy amalgamation of existing ex-service associations in Victoria; and has further gone on record as being prepared to sever its connection with the G.W.V.A. of Canada in the event of its Dominion Command failing to go on record as being in favor of amalgamation at its forthcoming Dominion Convention;

"And whereas the spirit and letter of the Dominion Command's proposed resolution on amalgamation, to be presented at the Dominion Convention, is opposed to the expressed desire of large numbers of its members throughout Canada for amalgamation, and is not in harmony with the ideals and purposes for which the Great War Veterans' Association was formed;

"Be it therefore resolved that the Victoria Branch of the G.W.V.A. again goes on record as being in favor of an amalgamation of all existing ex-service organizations throughout Canada, under a new name, and as being unalterably opposed to the idea of amalgamation by absorption by any existing ex-service organization;

"And be it further resolved, that this branch of the G.W.V.A. is most strongly opposed to the action of its Provincial Command in attempting to influence its branches throughout the Province against the idea of amalgamation when the Provincial Convention has gone on record as being in favor of amalgamation;

"And be it further resolved, that the Victoria Branch of the G.W.V.A. appeals to the Vancouver Branch, and to all other branches throughout the Province, who are in favor of amalgamation, to help its delegate in his fight for amalgamation at the forthcoming Dominion Convention, and that copies of this resolution be forwarded immediately to the Vancouver branch and to as many other branches in the Province as may be possible before the date of the Dominion Convention.

Enrollment forms for membership in the amalgamated body of ex-service men were distributed at the meeting, the same being largely signed. The secretary will circulate them to members of the association who have not already received any. Mr. J. Poole, vice-president, occupied the chair in the absence of Colonel W. N. Winsby.

War Stores May Help Russians
LONDON, Oct. 5.—It is said the British Government has decided to transfer to the British Red Cross for famine relief distribution in Russia certain surplus war stores, consisting in part of medicines and clothing. These stores, valued at approximately \$250,000, are now being held at the disposal of the Red Cross board.
